Suffolk Avenue Ready To Go; McNulty Stopped On Tract Work

Election Set For April 20

Two Conservatives File For Monrovia School Board

The upcoming Monrovia School Board election April 20 pits two incumbents, Scott Metcalf and Robert Flannes against two Trustee candidates, Donald Pell and Alfonso San Miguel. The candidates possess more than a keen desire to unseat Metcalf and Flannes who have for the past four years represented the minority on a board rocked by discord and dissension.

Candidates Pell and San Miguel voice confidence in their ability to work harmoniously with the three School Board trustees not up for election.

DONALD PELL

Donald Pell resides, with his lovely wife Peggy, at 911 W. Olive, Monrovia, and at 30 years of age is assistant manager of a banking institution. The Pells have a son Ronald, a student in the Monrovia School System.

Don Pell graduated from Monrovia High School, attended Mt. San Antonio Junior College for two years and completed business courses at Citrus Junior College Night School.

When questioned as to his special qualifications for the position he seeks, Pell stated: "My qualifications for

ALFONSO SAN MIGUEL

the office of School Board Trustee are that of an interested citizen who grew up in the town of Monrovia. With my knowledge of money and budgets, I feel that I can perform a service to my community."

When queried as to his views on issues, the personable candidate commented: "I will take the specific issues as they may come. However, I feel that no good can come from the Board of Trustees being split as they are. The Monrovia School District must have a board that can work together."

Alfonso San Miguel has spent the last 27 of his 52 years as a resident of Monrovia. For 22 of these 27 years the San MIGUELS (Al and Francis) have been raising a family at 210 N. Mountain Avenue, six girls, Tina, married; Carmen and Cathy, twins; Terri, Joan and Rita; also four boys, Mike, married; Paul and Louis, twins, and baby Tony. Al and Francis are also proud grandparents of three

Dr. Robert Schaper To Be Guest Minister In Oregon Convention

Dr. Robert N. Schaper, pastor of Bethany Church of Sierra Madre, is to be guest minister at the Annual Oregon State Christian Endeavor Convention to be held in Portland, Oregon, this weekend, March 25-28. Dr. Schaper leaves on Thursday, and will speak four times at the convention, returning on Sunday afternoon. The Rev. James Hagelanz, pastor of the Hillsdale Community Church in Portland, and a former member of the congregation at Bethany Church, has invited Dr. Schaper to preach at the Sunday morning worship hour in his church. Dr. Schaper has been a frequent speaker at Christian Endeavor Conventions in the Northwest.

Guest ministers at Bethany Church for this Sunday, March 28 will be the Rev. Hugh S. Bell Jr., Assistant Minister at the church, who will speak at the 11 a.m. worship service. On Sunday evening, Cecil Jeffery, executive secretary of the Los Angeles County Christian Endeavor Union will speak on his work with the youth of the area. Christian Endeavor, now in its 77th year, is a Sunday evening youth program, by which youth learn how to serve the Lord Jesus Christ through the church.

This Sunday evening worship hour also marks the bi-monthly youth service. In this special emphasis, the youth of the church are asked to especially contribute to the worship hour through music, testimonies, serving as ushers, and prayer.

Dr. Robert Schaper

The junior and senior high Christian Service Brigade group will travel to Juday Meadows on Friday evening for an overnight camping trip. Garry Patefield, captain of the group states that

Hansen Ford Salesman Honored

A Sierra Madre Ford salesman has been honored for outstanding sales performance during 1964 at a banquet in the Hollywood Palladium.

W. A. Heller, Los Angeles district sales manager for Ford Division of Ford Motor Company, said the salesman, Victor Christen of Carl Hansen, 120 W. Sierra Madre Blvd., was among a select number of dealership salesmen who were presented 300-500 Club membership awards for "excellent retail sales performance."

The Ford 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country.

Mr. Heller said the average 300-500 Club member sold more than \$400,000 worth of automotive merchandise in 1964 to qualify for the national honor.

Rexall 1c Sale Sneak Preview

A sneak preview into the savings to be had in the forthcoming Rexall One Cent Sale can be seen in this week's issue of the Sierra Madre News.

In addition, being mailed this week is the large four page handbill listing the hundreds of items that can be purchased during this sale at Hartman's Rexall One Cent Sale.

Although the Sale does not kick off until April 1, you can now place your order for needed items and have them all ready to pick up when convenient for you next week.

Look over this list, and hurry down to Hartman's and pick up your pre-order blank and place your order while items are all available.

Sea Nymph Fashion Show Apr. 3

Spring is in the air, and it's time again when a woman's fancy turns to thoughts of her wardrobe, and to the rescue a marvelous fashion show by the Sea Nymph Mariners, fashions by Gullett and Harris who have gone "way and beyond" the call of duty to find and bring to you a

A Job Well Done

Tuffy Is Gone To Heaven; His Offspring Carry On

by BILL WARK

The members of the Sierra Madre Search and Rescue Team were saddened by the loss of Tuffy, the great sturdy tracking bloodhound, who was found dead in his kennel on Harkness Hill, Tuesday afternoon. He was 13. Miner Harkness trained and brought Tuffy on the Team in 1955. He was the first tracking bloodhound to serve with mountain rescue groups in Southern California.

The huge dog with his furrowed brow and ever mournful expression gained much fame for his successful errands of mercy. His services were sought in virtually every county in the state and he became known as the Flying Bloodhound as U.S. Army planes and helicopters flew him to distant

City Attorney, Administrator Ordered To Open Escrows; Engineering Starts

CUP Ordinance Extended To Sept. 15 As Maximum

In answer to a complaint of the citizens interested, presented by their attorney, at the Council meeting of March 23, and containing five points of defects concerning the granting of a Tentative Tract Map to the Huntington Construction Company, Henry McNulty and Associates, for Tract No. 29402, more commonly known as the Willis Property, City Attorney Charles Martin gave a drafted answer containing nine full pages.

Citing various cases in the annals of law, defending the city where necessary, and explaining the defects in the processing of the procedure, he ended up his statement with the following remarks: "Based upon the findings of the five points presented, it is the opinion of your City Attorney there is substantial and unresolved doubt as to defects No. 1; that this defect was occasioned by an inaccurate list submitted by the applicant; that such doubt should be resolved against the person causing the same; that the applicant should bear the burden of his own error; and that the City Council should not condone a possible 15 per cent error in the mailing of notices. Accordingly, it is recommended that the City Council either (1) declare the proceedings for the approval of Map No. 3 and the Conditional Use Permit (Resolution 2125) suspended — or, more appropriately (2) advise the subdivider to take no further action with respect thereto (and that no final map will be approved on the property, until either . . .

(a) The subdivider has submitted proof pursuant to the discussion above that all of the persons omitted from the radius list did in fact have notice or attend the January 12 or 26 meeting; OR (in the alternative) (b) The subdivider has sought declaratory relief or other adjudication of the issues presented herein.

The motion was made and seconded on item 2 above, subheads (a and b), and was passed by the council 5 to 0. Tract No. 29402 is now a dead issue until revived by the subdivider, his associates, or the land owner.

Attorney Workman, for the people stated that they were not dogmatic in asking that the subdivision be abandoned, but would submit to a completely new hearing, feeling they could bring out additional points to make the subdivision, safe and sound for safety and welfare of the citizens of the area, and "make a more beautiful Sierra Madre."

Royal Drug Burglarized

The fast action of the Sierra Madre Police Department, with Douglas Tucker and Kit Sanders, officers on duty, made fast work of apprehension of a reported burglar or shoplifter at 11:13 Monday morning at the Royal Drug Store.

Rudolph Henry Sikich, age 44 of Sherman Oaks, was observed loitering in the drug store by owner Sam Perloff. When asked if he could be helped, he stated that he was waiting for his wife who was purchasing a prescription. Now Sam knew that he was the only man aboard filling prescriptions that day, and he had done none for a wife, therefore he was suspicious.

Shortly, Sam heard the case of the clock display open, and the tinkling of metal. Rushing to the front, he saw the suspect going out of the door, and at the same time he noticed a whole row of clocks missing.

Through the front door, to the bank, through the bank, over the wall at the Headliner and back to his car parked in front of Hansen Ford, went the suspect. Making a U turn through the Al Foxton Chevrolet station and down Sierra Madre Blvd. with Sam screaming "get the license number."

Police were called to the scene, briefed and took chase. They saw the suspect's car at the bottom of Michillinda at Foothill and gave a high-speed chase, cornering the suspect when he turned off of Foothill into Rosemead and into the rear of the Seaford Tavern.

It was found that the suspect had made several other raids during the morning, and was booked at Sierra Madre city jail on suspicion of burglary and possession of stolen property. He was later released on bail.

Couchman New Vice Chairman

Planning Commission Asks For CUP-Hillside Extension

The Sierra Madre Planning Commission met in regular session Thursday, March 18 with Commissioners Casey, Couchman, Hartman, Levy and Howell in their respective chairs.

Due to the absence of Chairman D'Arcy and the resignation some time ago of Vice-chairman Emerson, Larry Adams, Assistant City Engineer, asked for nomination to elect a new vice-chairman. Commissioner Hartman nominated Commissioner Couchman and he was elected unanimously, at which time he took the gavel and opened the meeting.

R-3 Property Owners Plan Meeting Mar. 24

The R-3 Property owners will meet Wednesday, March 24, at 7:30 p.m. at the City Council Chambers to study proposals for change in the R-3, R-P Ordinance.

All owners of R-3 land not yet developed to its full potential are invited to attend so that their views may be voiced at the Study Session with the Planning Commission on April 2, along with the views of the Apartment Owners Association.

The Planning Commission is now studying a proposed ordinance which will more closely limit the number of apartments to be built, increase parking requirements and in the opinion of some, curtail construction in many cases.

WARK GIVEN HONORS

by R. ROBERT EVANS

Bill Wark of 177 Merrill Ave., today holds a top national award for his "outstanding contribution to the outdoors during 1964."

The long time member of the Sierra Madre Search and Rescue Team received the National Booster Certification of Merit at the community dinner Friday night.

Wark was first place winner in 1964's contest, for furthering the Good Outdoor Manners Campaign by sponsoring restoration of the historical Old Mt. Wilson Trail. It is the first time that this award has been given to a resident of Southern California. Wark organized crews and worked for almost two and a half years in recarving the famous Old Mt. Wilson Trail to make it safe again for hikers of all ages.

The Good Outdoor Manners Association began in January of 1959, as a committee within the Mountaineers, a Seattle outdoor club. Rapidly expanding activities soon took them beyond the scope of the Mountaineers and in September, 1960 they separated from the mother club and incorporated independently under the laws of the State of Washington. The Mountaineers have since joined G.O.M.A. as one of several member organizations.

The association's effective program has earned them the enthusiastic approval and cooperation of the National Park Service, U.S. Forest Service, U.S. Fish and Wildlife Service, the Pennsylvania Forestry Association, National State Garden Clubs and the Sierra Club, among others, with the G.O.

Sirens Blow At 10 A.M.

Civil defense sirens throughout Los Angeles County will be sounded Friday, March 26, at 10 a.m. in the customary last-Friday warning-systems test, Sheriff Peter J. Pitches announced.

The tone pattern will be the same; a two-minute steady wail will be followed by 30 seconds of silence, with the test ending on a one-minute undulating sound.

Sierra Madreans Will Vote!

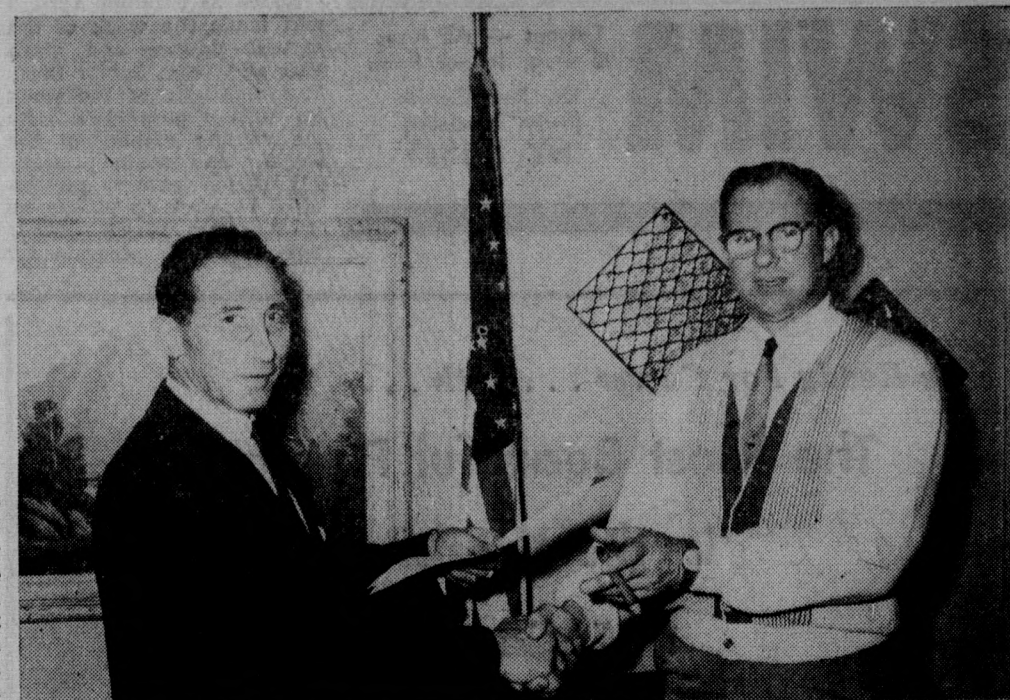

Battle Lines Forming On School Election May 11

"They shall not pass" the school busing law. This was the theme and the spirit of the school board election organization meeting held on at the home of Mr. and Mrs. Carl Cheadle, 31 E. Orange Grove. The meeting was presided over by Chairman Claude Brown, former Sierra Madre school board member and City Councilman Ralph Rule, Sierra Madre member of the Pasadena Steering Committee for the election of the Salsian - La Motte - Engholm slate of candidates running for office on May 11.

The meeting was attended by some two dozen Sierra Madre community business, civic and school leaders and

The intent of the school busing law, known as the

MIKE GAUL, Association president of San Gabriel Valley Associated Plumbing Contractors presents W. H. "Hal" Jordan, co-owner of G.E.M. Plumbing, Inc. the 1964 Plumbing Contractor Award of 1964. Hal was last year's president of the organization.

Last Year's President APC

Hal Jordan Acknowledged Plumbing Contractor of '64

W. H. "Hal" Jordan, co-owner of G.E.M. Plumbing Co., Sierra Madre, was recently acknowledged "Plumbing Contractor of 1964" by the Associated Plumbing Contractors of San Gabriel Valley, Inc., which he served as president last year.

Mike Gaul, Association president, presented him with a plaque at the Association's meeting which reads: "In testimony to his able leadership, while serving his Association as its president, which resulted in greater industry participation, increasing services to its members, and, consequently, in a growing and more active membership, the Board of Directors of the Associated Plumbing Contractors of San Gabriel Valley, Inc. presents this award."

Jordan has been a resident of Sierra Madre for 9 years, living at 92 W. Laurel Ave., with his wife, Nita, and two children, Rick, 16, and Robin, 11.

He devotes all his spare time, excepting that spent with his family, to the upgrading of the plumbing industry in his area, according to President Gaul.

Jordan has led his Association last year in establishing a school on Selling

Fundamentals, a class in controls maintenance and repairs, upgraded association promotion and participation, and, through direct contacts throughout the San Gabriel Valley, has effected more than a 20 per cent membership increase.

G.E.M. Plumbing co-sponsors the Yankee Little League team this year and last year sponsored a minor league team.

Public Hearings Scheduled

Several public hearings were set by the Sierra Madre Planning Commission at its regular meeting March 18, to be heard at the next regular session which will be Thursday, April 15, in the Council Chambers at the City Hall.

One of these will be a joint public hearing for the opening of streets, Lotus and Camillo. These streets are now in and have curbs and gutters, but are not on the city records as city streets, thus the public hearing.

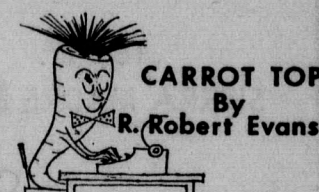

Another public hearing will be concerning the rezoning of Monterey Lane from the now required 7,500 square feet to 11,000 square feet, with all stipulations that go with this zone, such as wider streets, approved cul-de-sac, etc. This public hearing was brought about by a written petition signed by 40 persons on Monterey Lane and close vicinity such as Sierra Madre Blvd., Rancho Road and Oliveria.

The other public hearing scheduled for April meeting is the street opening of Forest Lane which is now a 20-foot easement. All property owners in the vicinity will be notified, and a precise plan developed.

These meetings are all open to the public. You are invited and urged to attend.

FORGET SOMETHING? — Blond Penny Ward seems pleased with her golf swing here but "Gilligan's Island" co-stars Bob Denver, left, and Alan Hale, Jr., try to point out one flaw — she missed the ball. Penny, Miss Redondo Beach Harbor, wants to call attention to the celebrity golf tournament Saturday, April 3, between the Hollywood Hackers and Southern California Sportscoasters at Los Verdes Country Club in Palos Verdes. Penny lives in Sierra Madre.

Personally, I thought things were going to be quite peaceful on the political front until at least April 1966 (City Election), and possibly the Civic Center caper . . . but no, this does not seem the case.

The forthcoming school election looms up as becoming a "dilly" and will involve "political parties," "School Transportation," "Blair High School Financing," "Racial Balance" and the last week publicized "Princeton or Triad Plan."

The battle will get hotter and hotter as we approach the election day of May 11. Keep tuned in for the particulars.

—CT—

We hear by the grapevine that a Super-Market is looking for 60,000-65,000 square feet of open land to build upon . . . this could be a difficult problem, could be done in the commercial zone. They would have to remove a couple of buildings though, which we understand would be no problem.

—CT—

The final date of income tax, April 15, is fast approaching, and just to show you how Uncle Sam will scrutinize your return is told in the following story.

—CT—

On one of his recent trips on a railroad, a Federal Income Tax investigator entered the diner for breakfast. When the waiter came to take his order, the investigator said: "I'd like to try that six-dollar breakfast that men report on their expense account whenever they ride this train." . . . Employers could look into this matter also.

—CT—

Sierra Madre went over the million mark in building permits for the first two months of this year . . . betcha silver dollar they reach the four million mark before December 31 . . . this should help the "tax base" for the coming '65-'66 period, but I'll betcha 'nother silver dollar you will not be able to detect any lowering of it on your tax bill come December 10 . . . just wait and see . . . betcha 'nother one that the new tax rate for '65-'66 will be slightly over \$100.00 per \$100 valuation. Wait and see come September ??

—CT—

Just stop and think, if the above does happen, Sierra Madreans, totalling around 11,384 people, will be paying about \$2 1/2 million in taxation to its various taxing agencies . . . this is about 1 1/4 million dollars more than we paid in the year 1963-64, when our population was about 9,700 . . . this is really something to think about . . . and think hard.

—CT—

Have you noticed the activity at Clardon Delicatessen under the new management of Mr. and Mrs. Ed Martin . . . Here are 2 owners who believe in a good clean place to eat and good tasty food . . . if you haven't given this couple a try in the past ten days . . . now is the time to do it and notice the change . . . it's terrific.

—CT—

Of course we are "way down the line" in giving Bill Wark our blessings on his recent award . . . we do not know a person alive who is more deserving . . . we are extremely happy that the right efforts noticed his untiring efforts and recorded them for history . . . Congratulations, Bill . . . you

Wilson Jr. High To Elect Officers

March 29 through April 2 will mark the week of the annual Science and Math Fair at Wilson Junior High. The highlight of the week for Wilson parents will be an evening display of the science and math projects. All Wilson parents are invited to come to Wilson on Wednesday, March 31, at 7:30 p.m. The program for

the evening will be held in the Little Theater. The program will include:
Founders Day notes by Mrs. Stanley Brink.
Honorary Life Membership Award, Mrs. Arthur E. Mann, chairman.
Cultural Arts Club report by Mrs. Morris Furman.
Election of officers for 1965-66. The proposed slate of officers includes:
For president, Mrs. Ralph Rule.
First vice president, Mrs. Stephen Whittlesey.
Second vice president, Mrs. Carl Cheadle.
Third vice president, Mrs. Harry Redoglia.
Fourth vice president, Mrs. Robert Ashby.
Fifth vice president, Mrs. Carl Niemack.
Sixth vice president, Mrs. Benjamin Barth.
Recording secretary, Mrs. Kenneth Hoge.
Corresponding secretary, Mrs. Carlton Presnell.
Treasurer, Mrs. Carl Bischoff.
Auditor, Mrs. Helen Chapman, faculty member.

March, April, and May are the best months for planting dichondra seed lawns. During these months, dichondra — a soft, green, ground-hugging plant, which requires very little mowing — need not be covered with mulch. Dichondra Seed Growers Association suggests that the seed need only be raked into contact with the surface of the soil, rolled lightly, and kept moist for five weeks.

Mr. and Mrs. H. N. Clark Announce Engagement Of Daughter, Cheral

MR. AND MRS. HUNTER N. CLARK of 431 University Circle, Claremont announce the engagement of their daughter, Cheral, to Mr. Wayne Thomas, son of Mr. and Mrs. Eber Thomas of Sierra Madre.
Miss Clark is a 1961 graduate of Claremont High School. She is a senior, majoring in Sociology, at the University of California at Santa Barbara.
Mr. Thomas is a 1961 graduate of Pomona College. He is employed by the El Monte High School District as a teacher of Physics and General Science.
The wedding is planned for September 1.

Kappa Delta Alumnae Ass'n Awards

Mrs. Leighton B. Tuck of San Marino, president of the Pasadena Kappa Delta Alumnae Association announced the presentation of the three Kappa Delta Orthopaedic Awards at the March meeting of the American Academy of Orthopaedic Surgeons at the Americana Hotel in New York City. In the presence of 3,500 attending members, Dr. Ignacio Ponsetti, chairman of the Academy's Committee on Scientific Investigation, presented three Kappa Delta Awards of \$1000 each, to Dr. Jerome Gross, Dr. O. Donald Christman, and, jointly, to Drs. Richard S. Riggins, and Yosef H. Pilch. These members were selected from 40 entries. Representing Kappa Delta, was the Province Alumnae Officer, Mrs. Warner O. Fleming, of Freehold, New Jersey.

The Kappa Delta Orthopaedic Award was established in 1947 at the Golden Anniversary Convention, at Virginia Beach, Virginia. This award is presented in recognition of outstanding research in the field of orthopaedics, and is administered by the American Academy of Orthopaedic Surgeons. It has been presented annually since 1950.

Claudia Fritz and Michael Tibbs United In Evening Church Wedding

MR. AND MRS. MICHAEL TIBBS

Before an altar banked with baskets of blue and white flowers and candles, Claudia Fritz became the bride of Michael Tibbs on March 6 at the Sierra Madre Congregational Church. The Rev. George W. Lindsay performed the beautiful evening ceremony uniting the daughter of Mr. and Mrs. Claude Fritz of 629 Alta Vista Dr., and the son of Mrs. Dorice Tibbs of Altadena and John Tibbs of Marion, Kentucky.

Given in marriage by her father, the bride was radiant in a floor-length white gown that she had designed and made herself. Fashioned with a high neck and short sleeves, the satin gown had an overskirt of lace which was hand embroidered with seed pearls and lined with sequined net. The bride wore matching lace finger-tip gloves, and carried a bouquet of white orchids on a white Bible. Her veil of silk illusion was attached to a jeweled crown of seed pearls and rhinestones.

Serving the bride as maid of honor was Cathy Foley, and the bridesmaids included

ed the bride's two sisters, Mrs. Dawn Wilder and Mrs. Diane Brown, and a close friend, Mrs. Naomi Joiner. The flower girls were the bride's nieces, 8 year old Diane Wilder and Vicki Brown, 7 years old.

The maid of honor and the bridesmaids wore floor length royal blue satin gowns with matching shoes and elbow length white gloves. Short blue net veils were attached to their sequined royal blue headpieces, and they carried cascades of light blue and white flowers. The maid of honor's bouquet was of dark blue and white flowers. Wearing long dresses of light blue embroidered organza the little flower girls carried white baskets filled with rose petals, and wore white bows in their hair.

Richard Hartvikson was best man, and the ushers were David Watner, Steve Welemirov and Cecil Dumbriege. Dressed in a white dinner jacket identical to those of the ushers was the little ring bearer, the bride's four year old nephew, Master Scott Brown.

For her daughter's wedding, Mrs. Fritz chose a floor length gown of lavender lace with matching accessories, and corsage of white orchids. The bridegroom's mother wore a gown of champagne beige chiffon and matching accessories, and a corsage of beige and brown cymbidium orchids. The mothers' corsages were a gift to them from the bridegroom.

Island Dance Class Open

Jo Farrar will offer a spring series of Island Dances starting Wednesday, March 24, at the YWCA, 78 N. Marengo Ave.

Mrs. Farrar has appeared as a featured dancer in many of the local programs and on television. She has studied under native instructors and is well experienced to teach the Samoan, Tahitian and Maori styles as well as the traditionally Hawaiian.

Students learn how to use the Hula implements such as uli uli (feather gourd), puli (split bamboo), illi illi (pebble dance), and ipu (big gourd).

Classes are offered for the beginning through the advanced group, for elementary, teens and adults. Register now at the YWCA, 78 N. Marengo.

Movie

Mr. and Mrs. Paul B. Douglass of Monrovia will show movie film with taped narration and music at the third Armchair Travellers Series at 8 p.m. at the Sierra Madre Park House, March 24. The series is sponsored by Friends of the Sierra Madre Library and is admission free to the public.

"MEMOS" FROM YOUR Stylist

By LOLITA

Make-up, subtly and thoughtfully applied, can work wonders for the woman who takes the necessary time to do the job right. For example: Utilizing make-up to narrow down a too-wide jawline is a fairly simple chore. Using a base two or three shades darker than your own, blend it carefully over the area of the jawline you wish to de-emphasize. Follow this by applying your regular make-up.

For the really crowning touch, follow this with expert attention to your hair. Our operators and stylists assure complete satisfaction at Petite Beauty Salon, 185 W. Sierra Madre Blvd., Sierra Madre. Phone EL 5-8041.

This week's Helpful Hint: Ladies, when laundering dark washable apparel, try one-half cup of vinegar in the final rinse water. The colors remain crisp and clear.

Over 50 per cent of the home lawns in the Greater Los Angeles area are planted with dichondra lawn seed.

Republican Ladies Meet March 25

On Thursday morning, March 25, from 9:45 to noon, the Study Group of the Arcadia Republican Women's Club will meet at the Arcadia Republican Headquarters, 119 E. 1st Ave. The session, open to anyone interested in current legislative trends, is welcome according to Mrs. Edward A. Heiss, chairman, who urges members to "help your Party and your Club by first helping yourself to acquire more knowledge and understanding."

"Our Immigration Laws," presented by Mrs. Heiss, will comprise the second in a series. The history and background of the present law and an evaluation of proposals to change it will be explained.

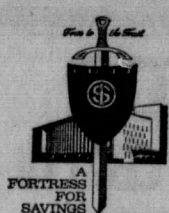

Mrs. Caryl Bradford will give a resume of a talk by former Justice Charles Whitaker of the U.S. Supreme Court. The speech, "American Constitutional Law and the Extension of Federal Power," was received with great acclaim at the Statler-Hilton Hotel, Los Angeles, recently.

Mrs. Betty Bosl will continue her review of "The Great Deceit," a Veritas

Foundation Staff study recently published.

Also on the agenda will be a report by Mrs. Gerri Watkins on current legislative trends of special interest to Republican women.

In urging attendance at the Study Session, Mrs. E. C. Rhodes, president of the club, stresses the fact that "You need only to listen to factual material to become better informed."

Now your savings can receive the security of a bank

...and deliver the return of an investment

There are two important things you want from an investment—safety and a good return. And you get both when you invest in a Bank of America savings account. Because Bank of America can give your money all the security of a bank, plus the return of a good investment—4% daily interest. That's the highest interest allowed by law. If you want your savings to be safe, immediately available, and earning top bank interest, open a savings account at Bank of America. There's a branch near you.

Each year they hold a national contest to laud the year's "Best Booster" of Good Outdoor Manners. In the past the first place winner award has gone to groups and organizations. This is the first time it has been won by a single individual.

Sea Nymph

whole new line of inspiring fashions to perk up any wardrobe, and put that gleam in milady's eye.

The fashion show, "Bouquet of Fashions," will be held at 11 a.m. Saturday, April 3, at St. Rita Hall on Baldwin Ave., and the dollar donation entitles you to a luscious salad bar luncheon, door prizes, and an opportunity to collect some new recipes for your files from the tempting salads that you will be served.

The Sea Nymphs, their mothers and leaders will model the new spring creations from Gullet and Harris who have put much thought and careful planning into this fashion show for your enjoyment.

Tickets can be obtained at the door or by calling EL 5-9967, and proceeds go toward the Sea Nymph Mariners' cruise this summer to the Channel Islands. The Sea Nymph Mariners and Gullet and Harris invite you to mark your calendar for this event. Enjoy a delicious luncheon and get ideas for your new wardrobe.

DAR Passes Resolutions Regarding United Nations

Sacramento set the stage last week for the Daughters of the American Revolution's 57th annual Conference. Three hundred and thirty-four delegates congregated in the Hotel Senator for four days of intensive thought and work, under the leadership of Mrs. Harvey B. Lyon, the State Regent and her board.

With the program theme, "The People Who Know Their God Shall Stand Firm and Take Action," the Daughters tackled the business at hand. Ever mindful of their heritage; and, the purposes for which they stand — Historical — Educational and Patriotic, found themselves unanimous for 11 resolutions that would lift the spirits of all Americans. The Sierra Madre News from time to time will print these resolutions. But, at this time, the Regent of Sierra Madre Chapter, Mrs. Frederic Becker, would like the community to read the Daughters stand on the United Nations; just one of the outstanding achievements of the Conference.

WHEREAS, The United Nations has become a very costly meeting place for powerful international debate; and

WHEREAS, The United Nations has become an easily accessible platform for Communist aggression, subversion, propaganda and treachery; and

WHEREAS, The United Nations has not prevented the spread of Communism in our own hemisphere; therefore be it

RESOLVED, That members of the California State Society Daughters of the

Berntine Grotte of 55 Monterey Lane, Sierra Madre passed away March 21. A native of Minneapolis, Minnesota, she had been a resident of Sierra Madre the past 14 years.

Surviving are three daughters; Mrs. Gladys Losie of Sierra Madre, Mrs. Verona Krell of Arcadia and Mrs. Minerva Hicks of Lea Wood, Kansas; two grandchildren and four great-grandchildren.

Services were held Tuesday, March 23 at 3 p.m. with Rev. John Begman, pastor of the Shepherd of the Hills Church. Private interment in Mt. View Cemetery, Altadena.

American Revolution demand that the United Nations adhere to the principles laid down in the United Nations Charter; and, that member nations who do not pay their share of the expense, forfeit their right to vote and be denied membership in the United Nations; and, be it further

RESOLVED, That all nations must wait a probationary period before they can sit in the United Nations or become voting members, thus giving them time to form a stable government before they assume equal power with older, well-established countries.

The Sierra Madre Chapter Regent, Mrs. Becker, was awarded State Honors for the outstanding programs of the year. The program planning for the Chapter is under the direction of Mrs. James C. Greer, Vice Regent.

Tuffy Is Gone

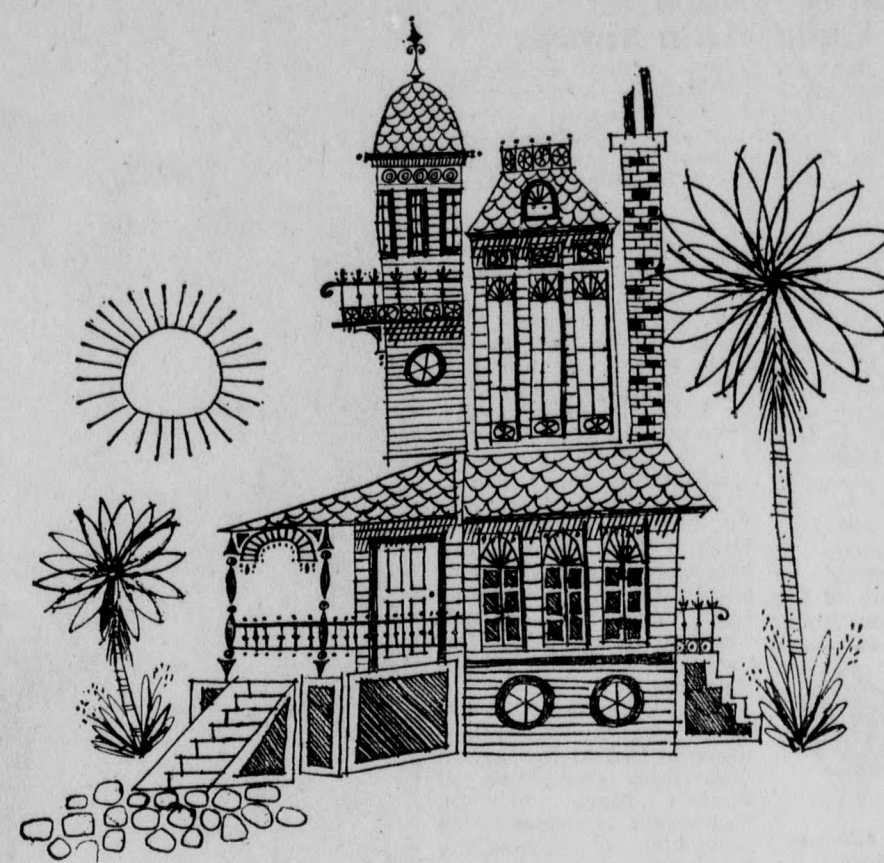

and dying from a rattlesnake bite. The boy survived but lost his arm in the tragic mountain accident.

Tuffy loved his work and always wanted to be successful. When the missing person was found or wandered into camp before Tuffy arrived, Harkness would set up a little trail for Tuffy to sniff along in order to keep him happy. It was after a particularly hard desert search when Tuffy, his paws worn to shreds, but his big heart wanting to go on, that Miner Harkness refused to let him continue.

Tuffy's health was falling, he spent much time dozing in the warm afternoon sun on the banks of Harkness Hill. Each day with doleful eyes he looked forward to those gentle loving pats from his master assuring him of a job well done.

Although Tuffy now sleeps through peaceful eternity, his spirit continues. Four of his offspring, Hezikiah, Henrietta, Heller and Hector are now trailing through the mountains in search of the lost and injured.

Tuffy, one of the truly great dogs of our mountains was buried on a grassy knoll below the Old Mt. Wilson Trail.

If you have a reason...
HOME LOANS
are always in season
at Altadena Federal Savings...

Yes, the seasons are all the same here when it comes to providing home loans for purchase, building or refinancing, or adding that long-needed patio, swimming pool or extra room. However, let's face it, Spring is the time of the year to be up and doing. With the sun rising higher in the sky every day, ambitions soar and house plans take shape. So why not gather your dreams, your ambitions and plans together and apply for the loan you need. We handle everything up to and including full escrow service. See or call us about our easy 1-2-3 home loan program. We're as close as your telephone.

Michael Cook Selected For Who's Who

Michael Cook, son of Mr. and Mrs. W. M. Cook of Sierra Madre, has been selected for Who's Who in American Colleges and Universities of 1965.

Mike, a business and industrial management at San Jose State College, has been the head leader at SISC. He is a member of Blue Key, honorary men's club, and past president and vice-president of Spartan Shields, men's honorary service club. He has also been president of his fraternity, Sigma Chi.

Services Held For John C. Evans

Funeral services for John Charles Evans, 74, of 180 San Gabriel Court, Sierra Madre, were conducted Saturday, March 20, at 1 p.m. by Rose Hills Mortuary in Hillside Church, with the Rev. David Reed officiating. Interment was in Rose Hills Memorial Park.

Mr. Evans, a resident of California and this area for 45 years, was born in Washington and died Thursday in the San Gabriel Valley Hospital. He is survived by his wife Anna of the home address; a daughter Gretta Pokrajac; a sister Christine Riboni; two grandchildren and two great grandchildren.

Free advice, regardless of its original, is almost worthless.

SYcamore 7-6934

I just don't understand it, while I wasn't even looking Spring "sprang" and left me holding the bag with my brand new winter chapeau. I really should have noticed. The birds have been fluttering and fluttering around stealing everything that isn't tucked down.

I think there is probably going to be a new rage in bird nest decor this year. I accidentally left by shocking pink dust mop outside to air and before I remembered it again our fine feathered friends had practically made that mop bald.

I'm telling you if those birds don't shape up a bit and stop making these pre-fab nests I may just be the first person in church with a chocking pink bird nest on my head!

It certainly wouldn't do to forget your wife's birthday, and if you forgot her birthday when it was on St. Patrick's day it would be a cardinal sin. Bill Olson decided that this particular birthday was a special one for his wife and that for this occasion he should surprise her and invite her friends to share in his birthday.

They had cocktails and gift opening at the Olson's Old House Road home and then went out en masse to dinner. Pat really received some beautiful gifts to mark the occasion. The guests were Mr. and Mrs. Forrest Paxson, Mr. and Mrs. Don Hays, Mr. and Mrs. Kenneth Christianson, Mr. and Mrs. Dominic Giangregorio, Mr. and Mrs. Robert Farmer, Mrs. Charles Hardison (Charlie was still out of town), Mrs. Gene Rode, (Gene was also unable to be there), Mr. and Mrs. Gordon Wright, Mr. and Mrs. John Roberts, Mr. and Mrs. Tony Boland, Mr. and Mrs. Matt Slavin, Mr. and Mrs. Bob Mardian, and Mr. and Mrs. Richard Fox.

If you chanced to notice the large assembly of cars on Edgely Lane last week I can inform you that you probably would have been just as much in the dark had you attended the meeting.

It was the monthly gath-

ering of the Pasadena Alliance Francaise unit and Monsieur Roger Gouze, an official representative of the Federation of Alliances Francaises, was here from Paris to address them on the subject of "Victor Hugo, Unknown Poet."

The meeting was in the home of Mr. and Mrs. Gardner P. Wilson. They were assisted in offering tea and refreshments by Mrs. Joseph Philipson, Mr. and Mrs. Schieffelin, Colonel and Mrs. Smith, and Mr. and Mrs. Argo. There were around 60 guests attending the gathering and the reason I say you would probably be in the dark even if you had attended was because you would have to have a comfortable familiarity with the French language in order to know what transpired. Comprenez-vous?

"A Night At The Palace" starring Les Brown and "His Band of Renown," was the program sponsored by the Huntington Memorial Clinic Auxiliary last evening at the Pasadena Civic Auditorium. As usual the program was a sellout, and many hostesses entertained in their homes with pre-concert parties.

Mr. and Mrs. Kenneth Christianson of Sierra Madre Villa were among those that had a pre-party. Their invitations bid you to cocktails and a buffet dinner.

In their group were Mr. and Mrs. Warren Clement, Mr. and Mrs. R. R. DeWees, Mr. and Mrs. H. A. Dunn, Mr. and Mrs. Gerald Fahey, Mr. and Mrs. Charles Eidson, Mr. and Mrs. Allen Knick-Krehm, Mr. and Mrs. Matt Slavin, Mr. and Mrs. John Griffith, Mr. and Mrs. Philip Shepherd, Mr. and Mrs. Karl Lindberg, Mr. and Mrs. C. Don Hays, Mr. and Mrs. Gerald Friederici, Mr. and Mrs. Dom Giangregorio, Mr. and Mrs. Ralph Gleim, Mr. and Mrs. Richard Fox, Mr. and Mrs. Robert Gobrecht, Mr. and Mrs. Wells Pleas, Mr. and Mrs. Charles Hardison, Mr. and Mrs. Stuart McFarland, Mr. and Mrs. James Smith, Mr. and Mrs. William Olson, Jr., Mrs. Frances Walls, Mrs. Carrie Christianson, and Miss Edie Peter.

Marie Caskey Lord Succumbs Thursday, Mar. 18

Marie Caskey Lord, age 87, well known former resident of Sierra Madre, passed away suddenly at St. Luke Hospital, Thursday, March 18.

Mrs. Lord was originally from South Dakota but had made her home in Sierra Madre for the past 58 years, moving to 925 E. Elizabeth St., Pasadena, just a few months prior to her death.

She is survived by two daughters, Mrs. Francis L. Duff of Sierra Madre and Mrs. Ruth Laws of Sacramento, three grandchildren and four great grandchildren.

Private services were held Monday, March 22 at 2 p.m. in the Ripple Mortuary Chapel with the Rev. George W. Lindsay officiating. Interment at the Sierra Madre Cemetery.

Arrangements were made by Ripple Mortuary, Sierra Madre.

Experts are like ordinary people — they seldom agree.

A wise man knows just how far to go and when to stop.

State Tax Help Given

Taxpayers having difficulty with their State income tax will be able to obtain advice in Pasadena when the Franchise Tax Board opens a temporary office there from March 26 through April 15.

Arrangements have been made through Richard Nevins, member of the Board of Equalization representing the fourth district, to have a Franchise Tax Board auditor available at the Pasadena branch of the Board of Equalization, 111 S. Hudson Ave. Taxpayers desiring to ask a question by telephone may call the Los Angeles Office of the Franchise Tax

Each year the Franchise Tax Board opens temporary offices in many cities to help taxpayers prepare their State income tax returns by answering questions or advising the taxpayer on how to handle a particular problem. State Controller Alan Cranston, chairman of the Franchise Tax Board, said.

All Californians who earned \$2,000 or more if single, \$4,000 or more if married, or who had a gross income of \$5,000 or more must file a State income tax return. The deadline for filing returns and paying the tax due is April 15, 1965.

Two Conservatives File For School Board

San Miguel is a professional engineer (Registered Mechanical Engineer). He graduated from Polytechnic High School and received his degree at Los Angeles City College.

Al San Miguel is no newcomer to politics, having run for the Monrovia City Council in April of 1962.

When questioned as to special qualifications the candidate disclosed: "I'm a mechanical engineer, trained to get the facts, to discuss problems with others and to recommend solutions. I'm interested in people and in the educational development

of children, and in the cultural growth of this community."

Including to background Mr. San Miguel proudly states: "I have consistently taken an active interest in civic and church organizations through the years. Boy Scouts 10 years, Junior Chamber of Commerce, Knights of Columbus and Holy Name Society. I have been with Aerojet - General Corporation 17 years in Aerospace engineering."

And with a twinkle in his eye Al confides: "1939 was my big year. I was married, moved to Monrovia, became a citizen and a father!"

Davis Files
For Seat 1
In Election

All candidates in the forthcoming school election May 11 for the Board of Education, now have competition with the filing Monday of Richard L. Davis who seeks the position No. 1 now held by President LuVerne LaMotte.

Davis is a television advertising executive with his own firm in Hollywood, but a resident of Pasadena for the past 11 years. He advocates the building of at least 3 new elementary schools, claiming that a report shows that we should have from three to 12 new schools, and the Board has done nothing about it, and the delay will cause overcrowding. He feels that there are far more pressing problems than integration in the schools. From his remarks "Planning" will be his platform.

Suffolk Ave. Ready To Go; McNulty Stopped

Mr. G. B. Castagna speaking in behalf of the citizens made the following remarks; in part: "We are not a negative group — against everything, that only NO development of the hills would satisfy us. As we ask you to re-hear this matter, we wish to demonstrate our willingness to be constructive. Briefly, our plan would reduce the amount of cut and fill to about 1/7th of the current proposal, and at the same time retain substantially the same number of single-family homes as currently proposed, which could result in an over-all gross saving of more than \$300,000 and a net profit gain of around \$100,000. Our backing of this plan stems from a sincere desire to cooperate and to act as a constructive force in helping to shape the future of our city. We have secured the professional planners to lay out this plan and, in addition, have assured that financing

could be secured for such an undertaking. We have pledged ourselves to underwrite the cost of the professional planning for presentation of our proposal to the council and developer." The next move is up to the developers.

Suffolk
All property owners in connection with the extension of Suffolk Avenue have now been completely satisfied and the City Council ordered the Attorney and City Administrator to enter into escrows, and ordered the engineer to proceed with the necessities to put into operation the opening of this street. Cost of the land acquisition is \$46,020, with \$817 additional costs. This is budgeted and no further delays are anticipated.

Ordinance 741-742
Ordinance 741 pertaining to the stoppage of fortune telling and similar practices was passed and ordered published. Emergency Ordinance 742, extending the CUP zone was read, passed and adopted with an expiration date of September 15, 1965 or sooner if completed hearings have been held and a new ordinance enacted.

In other business before the Council, they denied the appeal of the Fields proposed development, stating a better plan for a street could be presented. They overruled the Planning Commission by its request, and granted Crowder his proposed lot split and consolidation. And with no recommendation from the Planning Commission granted Arciero, his lot split and variance for 420 Foothill Avenue.

All items on the agenda were completed and the Council adjourned until Tuesday, March 30 at the hour of 8 for a personnel session.

Police Review Board Subject Of Meeting

"Current trends to render law enforcement ineffective" is the subject of Officer James Mulvihill who will address the Arcadia Young Republican Club at 8 p.m. on Tuesday, March 23, at the Arcadia Methodist Hospital Auditorium. Acting as a speaker for the Fire and Police Research Association, Officer Mulvihill has obtained extensive experience with his topic through his 18 years of service in the Los Angeles Police Traffic Department.

A primary point of his talk will concern growing pressure from minority groups and politicians to establish review boards to oversee the police. Following Officer Mulvihill's talk the floor will be opened to questions. The public is invited to attend.

It is well to realize that time to think is as important as time to work.

Post Office Exhibits In Career Guidance Center

Postmaster Charles E. Louk announced today that the post office is an exhibitor again this year at the Fourth Annual Career Guidance Center now in progress at the Great Western Exhibit Center, 2120 S. Eastern Ave., City of Commerce, Calif. The Center opened March 23 and will continue until April 2.

The purpose of the Center is to bring together in a single setting the career guidance resources which are representative of the total community. It provides a broad base of career information for youth and adults through the presentation of appropriate materials, demonstrations and displays.

Nearly all fields of work are represented by occupational associations or agencies, and students have an opportunity to become acquainted with a tremendous number of vocational opportunities from which they may choose and learn what qualifications are needed from occupational representatives at the Center.

Parents are also invited to visit the Center, which is open daily from 9 a.m. to 4 p.m., and on the evening of March 23, March 26 and April 1, from 7 to 10 p.m. Open to the public without charge, the Career Guidance Center is prepared to receive 50,000 visitors, about half of that number being students on educational field trips from all over Southern California.

Postmaster Louk urges all to visit the Career Guidance Center, as a worthwhile community project.

The power of religion is best promulgated by the unselfish example and noble lives of its adherents.

Top Winners to Zone in April

Bank of America 1965 Achievement Awards Made

First-round winners in the 1965 Bank of America Achievement Awards program were announced here this week.

These outstanding high school seniors will all receive certificates of achievement, and some will get additional honors and a chance to win cash awards of up to \$1,000.

Awards are presented each year for outstanding scholarship, leadership and promise of future success and service to society. Covering virtually all high school subjects, the awards are presented in four general fields: vocational arts, liberal arts, fine arts, and science and mathematics.

Cash awards to students in Southern California this year will total \$53,900. Almost 3,000 students will receive certificates, and more than 1,000 of them will get engraved trophies. The 372 cash award winners will take home checks from \$25 to \$1,000.

Top winners from the local high schools will go to the zone competitions in April, where area-wide winners will be determined by a judging panel of community leaders who listen to the students in group discussions of subjects related to their studies. The first place winners will then go on to the finals in May, where they will receive at least \$150 and may win one of the top \$1,000 awards.

The Bank of America Achievement Awards program is statewide, with identical awards presented in nine geographical divisions. Total cash awards for the entire state this year will be \$98,100.

First-round winners from this area include:

John Muir High School
Certificate awards: Edmond Colainni, Robert Cleveland, Colby Springer, James Loftus, Kathleen Kerr, John Holder, Cheryl Lloyd, Edith Furumoto.

Engraved trophy: John T.

Lite-A-Bike Conducted By V.F.W.

Free reflective tape will be applied to youngsters' bikes in a "Lite-A-Bike" program to be conducted here by member of Veterans of Foreign Wars, Post 3208.

Tape will be applied to bicycles at the parking lot of the swimming pool on April 10, from 10 a.m. to 2 p.m. Strips of the reflective tape will be put on the rear fender, handlebars and front forks of bicycles, making each bike visible after dark from all angles. The highly reflective tape — the same material used in reflective signs and license plates — is visible at distances of 1,500 feet in the headlights of an auto.

"Kids shouldn't be out bike riding after dark — but if they are, their bike ought to have reflective tape," said Louis Van Iersel.

He pointed out that last year some 570 persons were killed in bike accidents, 65 per cent of them children aged 5-14. Another 30,000 persons were injured in such accidents. Four out of five fatal bike accidents occurred at dusk or after dark.

"The extra warning provided by reflective tape can save a child's life," the VFW official said.

In addition to applying tape, VFW members will inspect the bikes for proper equipment: horn or other signaling device, headlight, rear reflector and functioning brakes.

More than seven million bikes across the nation have been reflectorized in the VFW program. Supported by the National Safety Council, the "Lite-A-Bike" program depends on reflective tape donated by the 3M Company, which has given more than a million dollars worth of the material to date.

Another Class In Dog Training

The Santa Anita Dog Training Group will be starting another Saturday afternoon dog obedience training class in Arcadia County Park. This will probably be the last afternoon class of the year as the weather will be too warm in another month to start one, so those interested in training during the day should call and make a reservation.

Of course the evening classes start all year around. The starting dates are as follows: Wednesday evening March 24, 7 p.m. and Saturday afternoon, March 27, at 2 p.m. in Arcadia County Park. There will also be a new class starting in Covina in the very near future, Tuesday evening, April 8, at 8 p.m.

For further information call HI 6-6858 or EL 6-1096.

Dr. Robert Schaper

about 15 boys will make the trip, with J. W. Moore and Jack Ower assisting with transportation and supervision. Terry Ower, a junior at Pasadena High School is the Brigade Sergeant. They will return Saturday evening.

Bethany church is an independent, evangelical congregation of people who are committed to the orthodox position of the Christian faith. The church helps support 18 missionary families throughout the world. In addition, the congregation assist 12 other independent agencies which minister through specialized areas of service. The annual missionary giving of the church, in addition to the general budget, is nearly \$40,000. "A cordial greeting awaits the visitor to any of the services on Sunday beginning with Sunday school at 9:30 a.m.," states Dr. Schaper.

Lists Services For

In the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive, the Rev. Armin Hesse will speak on the theme "When Christ Is Distorted." The following is his comment regarding this subject: "In the liturgical churches the Gospel lesson for the fourth Sunday in Lent concerns the Lord's feeding of the five thousand with a boy's lunch of five crackers and two sardines, as it has been characterized. This had significance, not so much because of the miracle which Jesus performed, but rather because of Jesus who performed the miracle. But the people were so impressed with the former that they intended to 'take Him by force, to make Him a king.' This," states the clergyman, "is not a mere isolated instance of the past, but it is a current perversion of purpose when Christ is distorted, as this sermon will show."

4th Sun. In Lent

Under the direction of Edgar Plische, the Senior Choir will sing John Stainer's "God So Loved the World." Kenneth Eukon will be the organist. In the Midweek Lenten service next Wednesday at 7:30 p.m., the Senior Choir will be joined by the choir of Our Savior Lutheran Church in presenting Lundquist's "At the Cross" and Stainer's "God So Loved the World." Continuing his Lenten messages of St. Matthew's account and speaking on the record of the Lord's crucifixion, the pastor's sermon will be entitled, "Yes, He Tolerated It!" Meetings in the parish this week include: The Junior Choir on Tuesday at 7:30; The Pastor's Class for Adult non-members on Thursday at 8; and on Wednesday, the Senior Choir at 8:30, the Planning Council at 8:30, and the Junior Instruction Class at 4.

Bible Lesson To Be On 'Reality'

The conversion and baptism of Saul of Tarsus, as told in the Acts of the Apostles, plays an important part in the Bible Lesson on "Reality" which will be heard at Christian Science churches Sunday. Also included will be these lines from "Science and Health with Key to the Scriptures," by Mary Baker Eddy (pp. 324-5): "When the truth first appeared to him in Science, Paul was made blind, and his blindness was felt; but spiritual light soon enabled him to follow the example and teachings of Jesus, healing the sick and preaching Christianity throughout Asia Minor, Greece, and even in imperial Rome. He who has the true idea of good loses all sense of evil, and by reason of this is being ushered into the undying realities of Spirit."

Sabbath Eve Services

Sabbath Eve services at the Foothill Jewish Temple Center, 550 S. Second Ave., Arcadia, will be held on Friday, at 8:15 p.m. Rabbi Max R. Wasser will officiate, and members of class 9, in the religious school will present a symposium on the subject of Anti-Semitism. Mr. Joseph Geshuri is the teacher of this class.

The students will also participate in the reading and chanting of the liturgy. Cantor Salomon Edelman will chant the service. The Temple choir, under the direction of Philip Deutchman, sings on alternate Sabbaths.

The prayer over the Sabbath lights will be offered by Miss Janis Jacobson. Following the service, an Oneg Shabbat (Sabbath Hour of Fellowship) will be held in the social hall, hosted by Mr. and Mrs. David Fell, Mr. and Mrs. Phil Golan, Mr. and Mrs. Max Krieger, and Mr. and Mrs. David Jacobson.

Sabbath morning services will be held at the temple on Saturday morning, beginning at 9:30 o'clock.

Celebrates 25th Anniversary With Art Show

Bethany Lutheran Church, 2666 La Tierra St., East Pasadena, will celebrate the 25th anniversary of the congregation on Saturday, March 27, and Sunday, March 28. The anniversary festivities will begin at noon on Saturday with the first annual Bethany Art Festival. Mr. Herbert Melnik is in charge of the art festival which will feature original works by members of the congregation. The public is invited to visit the festival in the church annex any time from Saturday noon until 6 p.m.

At 6:30 p.m. the congregation will gather in the social hall for the 25th anniversary banquet. Charter members and former pastors of the congregation will be the guests of the congregation. Dr. Gaylord Falde, the president of the South Pacific District of the American Lutheran Church, will be the guest speaker.

Two anniversary services will be held on Sunday, March 28. At the 11 o'clock worship service, Pastor Carlsson will preach the anniversary sermon. At 3 p.m. a special anniversary service will be held with Rev. Franklin Rasmussen, former pastor of Bethany, preaching the sermon. Special musical numbers will be provided at both services by the church choir.

Following the afternoon service the women of the church will hold a patio tea for all attending the service. The art exhibit will be open to the public for one hour following the afternoon service.

Crib Crop

Mr. and Mrs. Henry Roun of 422 Ramona Ave. proudly announced the birth of their fourth child on March 10. Their new son, Mark Anthony, weighed a husky 8 pounds 11 ounces when he arrived at 12:29 p.m. at St. Luke Hospital.

Mark's brother and sisters are Vivian, 9, James, 7, and Claudia, 3 1/2 years old. The happy grandmothers are Mrs. Michael Roun of Pasadena, and Mrs. Matilda Nade of Detroit, Michigan.

Films

Films shown by Rev. A. E. Rawson on the Land of the Maharajahs will be featured at the meeting of the Shrinettes, Wednesday, March 24, at 1452 Huntington Drive in Duarte, states President Ruth Weir. Each member will receive a gift and you can call for reservations at 446-4189. Cocktail hour 6:30, dinner at 7:30.

News From Your COMMUNITY HOSPITAL

Leaving Sierra Madre Community Hospital last Thursday morning were Mr. and Mrs. R. G. Fisher of 675 Orange Drive, Sierra Madre, and their new little daughter, Barbara Roberta. Delivered by Caesarian section, her birth date was March 11 and her birth weight 5 pounds, 10 ounces. Mrs. Esther Van Fleet who resides at 173 E. Montecito St., Sierra Madre, has been a patient at Sierra Madre Community Hospital since last Saturday when she was admitted for medical treatment.

Last Saturday evening Irving Schuyler was admitted to Sierra Madre Community Hospital as a medical patient. Mr. Schuyler resides at 500 Gatewood Lane, Sierra Madre.

Raymonda Ann Lane of 539 Brookside Lane, Sierra Madre, spent several days recently as a medical patient at Sierra Madre Community Hospital.

Mr. and Mrs. Morris Keaton of 286 Park St., Pasadena, have chosen the name Sheila Lynn for their daughter. Her birth date is recorded.

Sierra Madre Community Hospital and her weight at delivery was 7 pounds.

Letters To The Editor Show Deep Feelings . . .

10—SIERRA MADRE NEWS Thursday, March 25, 1965

Dear Editor:

I am happy to congratulate you for your notable stand in the protection of our public schools from the unthinkable plan of integration which certain members of the Pasadena Board of Education would put into effect if they were to have their way.

It must indeed be made clear to all thinking and responsible parents, as well as all real friends of public education, that the Triad or Princeton Educational plan, which would remove pupils between the 1st and the 6th grades from their regular school for two to four years, two years to one school and possibly two to another, has no motive or design to benefit in any manner the true objective of education.

Since the founding of this nation with its public school system, one of the basic facets of freedom has been the good relationship between parents and teachers, with the objective of better educational accomplishments. These new educational plans would indeed destroy this truly worthy objective by removing pupils from normal and rightful parental influence and co-operation with teachers and educational supervisors.

This is accomplished by transporting the pupils to

distant, strange schools, out of contact with parents, out of contact with home community influence or concern. By the time this handicap could possibly be overcome—two years at best—pupils could again be moved to another "foreign" school.

And what, as you have so clearly pointed out in your commendable news story, is the true objective of this blow at honest education? Nothing, positively nothing but racial school integration, at the very cost of destroying the most worthy objectives of public education.

What would happen to mothers who must accompany their young children to public schools, or may be called to meet them there because of illness or other reasons? What right have any school officials to use public funds, not in the interest of education, but in the interest only of integration, at taxpayers expense and at the cost of the finest objectives of public education?

I indeed, wholeheartedly support the position you have so splendidly taken in helping us protect our children and our public schools by urging the election of Mrs. Lu Verne La Mott, Steve Salislian and Dr. Joseph Engholm. I pledge you all possible support in your

praiseworthy campaign, and I am sure the parents of today's school children, both in Sierra Madre and Pasadena, understanding the issues in this campaign, will gladly give you the same support.

—JOHN H. CURTIS

Open Letter to Stifbak:

If you never accomplish another thing in your life, you have completed the circle of life's fulfillment.

Your note of Friday morning at 5 a.m. made me the happiest newspaper editor in the world. Although I know that I have many, I can definitely say that I have ONE TRUE BLUE friend in this world.

You will never know how you lifted me from the depths of despair to the mountain tops. I shall never forget how you have helped me to carry on the good work of our belief.

—YOUR EDITOR.

Dear Editor:

The long, sordid history of unconstitutional denial of the right of the franchise must now come to a halt. The Constitution is clear. The right of any citizen to vote shall not be denied by any State because of race or color. Congress has both the power and the responsibility to enforce this basic pre-

gative. When denied, free elections in America become a mockery. The ballot box must be color blind. State legislative trickery, penurious discriminatory schemes of any kind, must now be sheared away. The President's recommendation to Congress is urgent. I shall support him.

—THOMAS H. KUCHEL
U.S. Senator

Dear Editor:

Because of your generous publicity our Stamps for Food project, sponsored by the Woman's Club, has been a pronounced success. We sincerely thank you.

But now we need your help again. Many of our 400 donors do not know that their gifts now must be addressed to Mrs. Louise Wade, 609 W. Sierra Madre Blvd., Sierra Madre, instead of to me.

Unfortunately, I became too ill to continue with the work, and, indeed have moved to Honolulu to live with my daughter and her husband, where I am being nursed back to health.

Since this project is so wonderfully simple and so very rewarding, I do hope our donors will continue their gifts.

—CATHERYN ELLIOTT

25th Anniversary Of Anoaia School Tennis Tourney

For the 25th time Anoaia School in Arcadia will hold a tennis tournament for independent schools of Southern California. Since Dyke Berry pioneered the event just before World War II numerous other such schools have followed suit and there is now a total of six such events during the school year giving the players a fine tournament schedule within their own ranks.

Play will commence on Friday afternoon, April 2, and conclude on Sunday afternoon, April 4, with the action taking place on the two Anoaia courts as well as approximately 15 surrounding private courts. Girls in 14, 16 and 18 and under age groups from more than 15 schools will participate.

Bill Bodor, tennis coach for the past ten years, and Miss Linda Lloyd-Davies, student head of tennis will be supervising the weekend of tennis activity. Players from distant schools will be hosted at student's homes and all participants of the tournament are invited to the home of Mr. and Mrs. Paul Ketelsen for entertainment and refreshments on Saturday evening. The finals on Sunday afternoon will be immediately followed by the presentation of the trophies in the Peacock of Anoaia School. Perry T. Jones, president of the Southern California Tennis Association, will be presenting the awards to the fortunate finalists.

Academy of St. Catherine, Alverno Heights Academy, Bishop's School and La Jolla Country Day School, Cornelia Connelly, Flintridge Sacred Heart Academy, Immaculate Heart, Westlake and Marlborough Schools, Marymount (Santa Barbara), The Francis Parker School, Polytechnic, Westridge, Mayfield and Ramona Convent are expected to vie in local action in Arcadia.

Study may provide you with intelligence, but it takes thinking to develop wisdom.

Civic Club Fashion Show

Sierra Madre Civic Club, C.F.W.C., Third Annual Salad Luncheon, Fashion Show and Card Party will be held at the Women's Club, 270 W. Sierra Madre Blvd., at noon, Thursday, April 1. Fashions will be modeled by several Civic Club members including Mrs. Richard H. Kohler, Mrs. Richard Barden, Mrs. David Harris, Mrs. John Starkey, and Mrs. Robert Hopkins.

The remainder of the afternoon will be spent in playing cards for those who wish to stay. The chairman asks: "Why not make up your own bridge table, come for lunch and enjoy the fashion show?"

Mrs. Keith Mankin is chairman for the day, assisted by Mrs. Gary Rhodus, Mrs. G. N. Hansen, Mrs. John Starkey, Mrs. George Haynes, Mrs. John Hahn, Mrs. Gordon Campbell, and Mrs. William Hunt.

Ladies of the community are cordially invited with their guests. Tickets are \$1.75 and may be purchased from any club member or by calling Mrs. Rhodus at 355-7768. Proceeds will enlarge the club's fund for the yearly philanthropies.

Almost anyone can plan, but it takes work and intelligence to execute a program.

The condition of your health ought to be more important than almost anything else to you.

MARCH 29 - APRIL 2

Monday — Chicken or tuna and noodles, buttered green beans, crispy carrot sticks, peaches, buttered yeast biscuit and milk.

Tuesday — Hamburger with fixings of dill slices, lettuce leaf, hashed brown potatoes, apricot cobbler and milk.

Wednesday — Creamed turkey with mashed potatoes or beef and rice surprise and peas, waldorf salad, chocolate cake with pink frosting, bread and butter and milk.

Thursday — Baked beans, buttered carrots, green salad with shaker dressing, ice cream cup, buttered corn bread and milk.

Friday — Cheese enchiladas, frijoles con queso (beans with cheese), tossed green salad, half pear, buttered French bread and milk.

New herbicides and fertilizers, that make the care of dichondra lawns easier, are now on the market and local nurseries should have information on planting as well as how to care for dichondra lawns.

Alpha Omicron Pi International Sorority Installs Lambda Beta Chapter

Alpha Omicron Pi, international sorority, will install Lambda Beta Chapter as its newest collegiate chapter on Saturday, March 27, at California State College at Long Beach. This new chapter, made up of 19 initiates and 14 pledges, will be joining a network of 76 collegiate chapters and 164 alumnae groups embracing a membership of more than 35,000 women throughout the United States and Canada.

Initiation and installation ceremonies will be conducted by Mrs. William M. Westerman, International Secretary, who has come from Youngstown, Ohio, for the occasion. She will be assisted by Mrs. T. K. Farrington, International Treasurer, from San Jose; Mrs. Walter Taylor, College Chapter Director of District XIX, from Oakland; and Mrs. Carl B. Johnston, Alumnae Chapter Director of District XIX, from Glendale.

Mrs. James W. Wood, a member of the Long Beach Alumnae Chapter, will open her Long Beach home for the installation and initiation ceremonies.

Mr. Farman was present and his request was granted with the stipulation that the frame structures be removed, durable monuments be placed at corners of lots, existing fences made to comply with code at the corners, and appropriate sanitation installed on new lots.

The R-3, R-P Uses on the agenda was postponed because of a study session scheduled for April 2.

Back from the City Council for the Planning Commission to review the feasibility and practicability of a public road was the request for division of property at 84 Monterey Lane. Larry Adams presented an area map showing the possibilities of a public road and even though this was not a public hearing views and opinions were heard from the interested persons of the neighborhood as well as the Planning Commission.

The Planning Commission voiced opinions to send on to the City Council. Some were, that it was feasible, practical and desirable for a public road to be constructed in this division of property, and other opinions were that it was possible, but perhaps not so desirable.

A public hearing was set for April 15 for the joint opening of two streets Lotus Lane and Camillo Street. The CUP-Hillside Development Ordinance expires March 31 and the Planning Commission had to take some action on this item at this meeting, so they recommended that the City Council extend the Interim Ordinance with public hearings to be held in the near future. The extension is requested because the Planning Commission is still studying the CUP-Hillside Ordinance.

In the written communications a petition was read with 40 signatures requesting a rezoning of property on Monterey Lane to an increase of 11,000 sq. ft. from the now 7,500 sq. ft. and for any streets to be 60 feet in width with approved cul-de-sacs.

Planning Commission Asks For Extension

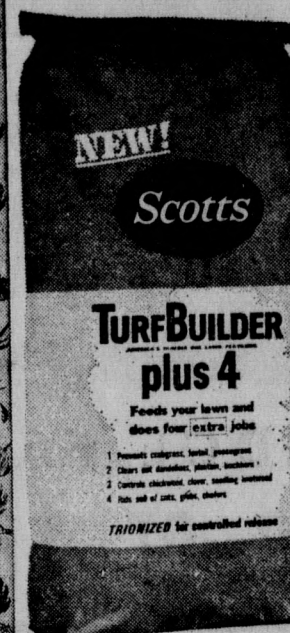

This request was set for a public hearing at the next regular meeting of the Planning Commission.

Another written communication was a request for the street opening of Forest Lane. This was also set for a public hearing April 15.

Everyone is urged to attend the meetings of the Planning Commission and take an active part in the planning of his city.

Fashion Show
Alpha Pi Epsilon and Future Secretaries Association at Pasadena City College have joined forces to present a Mother-Daughter Banquet and Fashion Show on Thursday, March 25, in the Campus Center. Co-chairmen of the event are Valerie Hughes and Judy Busik of Monrovia. The theme will be Anchors Aweigh; the decorations committee is Janis Thompson, Carmen Lopez, and Sharon De Bernardi.

SPORTS

Hank Ives SEES IT

SPORTS SMORGASBORD
WHAT A SHAME the Dodgers pulled out of the annual spring series with the Angels. The natural rivalry between the two local clubs juiced up the appetite of Southern California fans. It's especially unfortunate since the Angels had dominated the series.

WHEN MUIR'S Mustangs tangle with the Pasadena Bulldogs in diamond warfare in April, let's hope Darrel Evans hurls for the Lincoln Avenue crew against the Canine's Sandy Vance. These two lads are without a doubt among the finest prospects to pull on cleats in the Crown City.

SIERRA MADREAN, John Heinbruck, broke the Pasadena High "B" shot put record recently with a 51-7½ heave.

JERRY TARKANIAN'S Riverside Bengals have lost only five games in two years, nabbed two straight California State junior college casaba titles and went to the finals in the other. Jerry has a strong fandom from Pasadena and it's not a bit unusual to see half a dozen local men on hand at Riverside for Eastern Conference action. We look for Tarkanian to move up to the collegiate ranks before next season and it's rumored that one of the Utah schools is more than a bit interested.

RUSS BANKO, ex-Arcadia and Citrus College basketball great, finished second to the great Ollie Johnson of U.S.F. in the conference scoring race while pouring them in for Santa Barbara.

PASADENA and Mt. San Antonio will probably be favored to win the upcoming Southern California Junior College baseball Tourney at Citrus College April 8-10. Both teams appear to be shoo-ins to win their respective conference crowns.

CONGRATULATIONS to Tony Linehan who has been named athletic director at PCC succeeding retiring John Thurman. With his added duties do you suppose Tony will move his family from Long Beach to Pasadena? That's a fer piece to commute.

BEATING THE METS hasn't been much of an accomplishment the past three

seasons. Don Drysdale (13-1), Bob Friend (12-1), Larry Jackson (10-0), Juan Marichal (9-0) and Sandy Koufax (9-0) especially like to fatten up on the Stengalites.

JUST ASKING, but didn't the Yankees goof by doing nothing to improve their championship team? Remember the world champion Dodgers of 1963 who elected to stand pat prior to last season and slipped from first to sixth? The only deal the Bombers made this winter was to exchange managers.

THIS IS THE optimistic time of the baseball season. Every team is a pennant contender or at least a threat for the first division. NOTHING COULD mean less than exhibition scores. One pitcher may have a team eating out of his hand but his replacement can get creamed.

SHOULD TOMMY DAVIS keep up his heavy spring hitting it would force hand-cappers to take a second look at Dodger chances. Heavy stickwood by both the Davis boys would be a must to compliment the Los Angeles number one mound staff and lend credence to any pennant hopes.

AT FIRST GLANCE here is the way the Dodgers shape up. Roseboro will have to go without injury since there is no adequate backup man. An infield of Fairly, Oliver, Willis and Kennedy will fail to strike fear in opponents' hearts. The fielding is adequate though not spectacular, virtually no power present, but of course the Willis speed is an offensive threat in itself. If young Lefebvre makes it the hitting strength will perk up.

The Davis boys are potentially excellent hitters with good speed, though neither will challenge Willie Mays with the glove. The rightfield spot is up for grab s with youngish Ferraro, Griffith and Parker plus veteran Moon the principal challengers. An adequate outfield at best.

The hurling of course could be the best in baseball IF the truly left arm of Koufax and Podres recover from 1964 injuries. The staff is deep with good relief chucking. In essence the

Business before pleasure was the word last week as 87 per cent of the active membership assembled at the dinner meeting to review progress of the club activities and proposed plans for forthcoming activities.

Treasurer, Frank Barbour announced that eye tests and care were recently com-

Congregational Mother-Daughter Dinner April 6

The Women's Fellowship of the Sierra Madre Congregational Church are planning a catered Mother-Daughter Dinner, Tuesday, April 6 at 6:30 p.m. in Pritchard Hall.

Decorations and entertainment are planned by Alice Wittig, Fern Edwards and Doris Murphy. Reservations can be made by calling Virginia Schwartz, EL 5-0374. Donation \$1.50 for adults and 75 cents for children 12 and under.

No reservations will be accepted after Thursday, April first.

Dodgers will have to win it with pitching.

The boys down at Callahan's Barber Shop won't like this but the Dodgers seem to lack the overall ingredients that would spell pennant.

THE ANGELS: Rodgers, like Roseboro, must go without injuries though Satriano and Kirkpatrick provide good second line action. Adcock and Shockley form adequate lefty-righty firstbase combination. Knoop and Fregosi brilliant down the middle though former doesn't carry much stick. Definite weakness at thirdbase though Gotay may prove capable.

Outfield is deep with good reserves behind Willie Smith, Jose Cardenal and Lou Clinton. Piersall, Pearson and Reichardt provide depth. Hurling may be excellent and certainly Chance, Newman and Bob Lee rate among the best. Question mark moundsmen such as Brunet, May, Lopez, Gatewood, Piche and certainly Ken McBride must be winners for the Angels to be first division threat.

NEXT WEEK Old Hankus will give his complete analysis of the American League race and will try to refrain from any reference to last year's near miss with Baltimore.

pleted for one individual in the community through a portion of White Cane sight conservation funds. Institute for the Junior Blind was designated as a possible recipient of support from the Sierra Madre Club.

The District 4-L2 convention in Palm Springs May 27, 28, and 29 will as usual see active participation from the members. At this early date 12 members and wives plan on attending with the possibility of more.

Further discussion centered on the annual Miscellaneous Sale with a date to be set by next week.

Next week the Lions will invade the Altadena Town and Country Club where the third step of the Student Speakers Contest will take place. As noted in previous articles our contestant will, we hope advance to the Area contest and eventually the \$1,500 scholarship. If the "luck of the Irish," is with Jim O'Leary he should have no trouble at all. The truth of the matter is Jim's speaking abilities far exceed any luck and a winning evening should be in the offing.

Welcome Home Week at Ice House

For one week only, the exciting, youthful group of hit-makers, the Greenwood County Singers, will return to The Ice House from March 23 through March 28, for their fifth appearance. Among their credits are the hit songs: "Frankie & Johnny," "Coke Walkin' Baby," "Anne," "Seven Daffodils," and two albums on the Kapp label. They are three-time guest stars on the Red Skelton Show, have appeared on Hollywood Palace, and on and on.

They will join the bill of folk-songstress Carol Hedin flamenco guitarist Peter Evans. This bill will end on March 28.

March 30 through April 11 are the inclusive dates that Jerry & Myrna Music, a unique comedy and singing attraction, will make their third engagement at The Ice House. They have just returned from San Francisco's Hungry and are primed to turn their humor loose at The Ice House.

Another three-time winner, Stewart Clay, also starts March 30 for a four-week stand with tongue-in-cheek ballads and humor.

Thursday, March 25, 1965 SIERRA MADRE NEWS-13

Music Pesented By Deane Bottorf

Henry Nelson, program chairman introduced the enjoyable program at the regular luncheon meeting of the Sierra Madre Kiwanis

Club, Tuesday, March 23, and all Kiwanians just leaned back and thoroughly enjoyed the entertainment presented by Dean Bottorf.

Deane is well known for his music, being a concert pianist, but he also is very capable in all fields of music. Deane, along with his lovely wife, is very active in community affairs. They make their home in Sierra Madre.

Hugh Barton, manager of the Bank of America, Sierra Madre branch, was officially inducted into the Kiwanis Club and was presented his pin by Dr. Milt Valois.

This month's interclub meeting was in East Pasadena. Ten Sierra Madre Kiwanians journeyed to this interesting luncheon and meeting which was held March 24.

Meeting To Give College High Lights April 2

"Fitness, Fun and Fight" is the provocative title for the program of Occidental College Women's Club on Friday, April 2, which will focus attention on excellence in individual athletics of Occidental College students. The meeting will be held beside Taylor pool on the campus, starting at 1:30 p.m.

Members will hear talks by Mrs. Ruth Berkey, women's physical education director, and Roy Dennis, director of men's athletics, and will see demonstrations by students in modern dance, gymnastics, swimming and diving.

Dr. Benjamin Culley, dean of men, will review highlights of Occidental's athletic history. The program will include a progress report on the Occidental building program by Miss Janet Hoyt, comptroller.

This program is one of a series, planned to acquaint members of the organization with facilities and activities of the college. Mrs. E. D. Yeomans is program chairman.

The business meeting, which will be presided over by Mrs. L. Sherman Trusty, president, will include a vote on revision of the by-laws and election of officers for next year.

Enforcement of traffic laws will do much to save the lives of pedestrians.

March Meeting For Hastings Garden Club

The March meeting of the Hastings Ranch Guild for Cystic Fibrosis will be held Thursday, March 25 at the home of Mrs. E. E. Hagerman.

Mrs. Robert Hunt, president will preside. Final plans will be made for a rummage sale on April 1.

Following the meeting the group will be the guests of the Tournament of Roses Association for a guided tour through the Association headquarters on South Orange Grove Ave.

Co-hostesses for this event are Mrs. Jack Patch and Mrs. John Behr.

The harvesting of dichondra seed, used in today's lawns, is done with agricultural vacuum cleaners.

A foolish idea a day keeps the mind working at least.

Mother - Son Breakfast For March 28

On Sunday, March 28, La Salle High School will sponsor its second annual Mother - Son Communion Breakfast, according to an announcement from Brother S. Martin, principal. The breakfast will be held in the school gymnasium-auditorium following earlier Masses in the various parish churches.

Again this year, due to the large attendance expected, it will be impossible for any one parish church to accommodate all of the La Salle families. Hence, arrangements have been made with the pastors of the various churches to allow the La Salle mothers and sons to sit together at the early Mass.

Some of the parishes have announced their arrangements as follows: St. Philip's of Pasadena, 8 a.m.; St. Elizabeth's in Altadena, 8:30 a.m.; Holy Angels, Arcadia,

8:30 a.m., and St. Rita's in Sierra Madre, 8 a.m. Those mothers and sons living in other scattered parishes have been invited to attend the 8 o'clock Mass at the Assumption of the Most Blessed Virgin Mary Church, located at the corner of Orange Grove and Sierra Madre Blvd., in Pasadena.

All of the mothers and sons will gather at La Salle High School for the commencement of the breakfast as soon as possible after the Masses in the parishes. The breakfast is scheduled to begin at 9:45 a.m.

The chairman of the breakfast is Mrs. V. Fisher, and she is being assisted by a committee composed of Mrs. D. Giangregorio, Mrs. G. Togneri, Mrs. J. Giambastiani, Mrs. R. Pohlson, Mrs. D. Scheffing, and Mrs. C. Schmidt. For reservations call Mrs. Fisher, AT 6-3015, or Mrs. Scheffing, 448-7183.

VENT

for the "other side"
by "VAN DYKE"
(Lee Ellerbrock)

The one thing I have always liked about Bob Evans is that he is completely honest, uses no weasel-words and calls a spade a spade. . . . Although I don't agree with very many of his viewpoints and consider some of them even dangerous for the life of the Republic, long to, yes for the humane conscience of the beloved country of which we both are citizens — you know just where he stands with his big feet and body. There is no pussy-footing about it. In his Carrot Top column of March 11th, for instance, where he did a little wailing and weeping, he continues to call the "Squeak" this ULTRA-Conservative News-TRA-Conservative News-TRA — (is that's exactly what it is. According to my new Webster's Collegiate Dictionary, "ultra" means — if used as an adjective — "going beyond others or beyond due limit: extreme" and if used as a noun, "ultra-," "EXTREMIST.")

Now why, first of all, do so many ultra-conservatives hate and deny the use of the correct synonym "extremists" — are they ashamed of it? If so, why not come a little closer to the center and leave the "way-out" perch

But secondly, which is worse in my opinion, why do so many ultra-conservatives call their opinions merely "conservative" — the traditional views of the Republican Party. They are no more "conservative" than a socialist being "liberal"! At least let's call each other by

the right names!

After first congratulating Dr. Wittly publicly for having worked himself up to the triceps position of co-publisher, editor and junior partner — his influence will surely be felt in the future — I have to air my most violent objections to his latest epistle in the March 11th issue, the "Epistle to all Conservatives"

Here is the misnomer again — it was addressed only to ULTRA-Conservatives and the threat to form a third party could only appeal to extremists, not REPUBLICANS. I assure you, my witty colleague, that "my normal cranial and facial features" did not as you diagnosed, "convulse like a tortured mass of abnormal tissue undergoing macrocephalic metamorphosis" — (is that why you insist on your Doctor title, is it M.D. instead of PH.D.?) No, co-boss, I just felt very sorry that a defeated extremist would go that far that he would shoot his political party in the back, because of his FOREIGN views. In the last paragraph you gave yourself away when you echoed that the new party would be an "aggressive anti-Communist Party."

The Republican Party cannot win a Presidential election without the ultra-conservatives — I agree — but neither can a third party win without the Republicans. A split, such as you indirectly suggest, would mean the end of opposition to the Democratic Party and assure its victory. The only chance the Republican Party has in the future, is to return to the clearly conservative main-stream of its political philosophy — before it was muddled by stone throws of "King-makers" and the "Party-members," "choice and an echo," "meto-ism and right extremism"

I guess when Richard Nixon stated in an interview Saturday that "a factor favorable to the Republicans was a much faster healing than he expected of the party's 1964 ideological rift over 'extremism,' there is a real desire now for unity" — he didn't read Dr. Wittly's column yet If we don't get together under a roof broad enough to cover all of us, the house will surely be divided against itself and cannot stand. We must never again let only one sector of our members dominate the entire Party and write its platform, policies and — destiny be it ultra-liberal, liberal, moderate, conservative or ultra-conservative

And as far as racial questions are concerned, we ALL must remain true to the tradition of Abraham Lincoln — to actively support and further legislation which will speedily bring about the equal rights of all our citizens.

Great Society's Creed

We are indebted to the Congressional Record of February 10, 1965 for these comments on President Johnson's Great Society by Rep. James C. Cleveland, New Hampshire Republican, which we present with the conviction that further comment is unnecessary:

"Mr. Speaker, we are given to believe that sweet reason is the byword of the Great Society. The President himself has given us the text. Chapter 1, verse 18 of the Book of Isaiah, which begins 'Come now, and let us reason together.' This is a good text . . . all right, but it occurs to me that the real text of the Great Society comes from the two verses that follow. These read, you will recall:

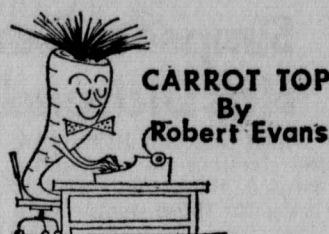

"19. If ye be willing and obedient, ye shall eat the good of the land.

"20. But if ye refuse and rebel, ye shall be devoured with the sword; for the mouth of the Lord hath spoken it."

Sunrise Services April 18

One of Great Britain's foremost theologians, the Rev. Emyln Davies, of Toronto, Canada, has been announced as principal speaker at the 45th annual Hollywood Bowl Easter Sunrise Service, Sunday, April 18, at 5 a.m., by Kenneth C. Younger, president and general chairman of the non-profit community service organization.

Dichondra is a soft, green, year-round plant that makes a perfect lawn for around fences, flagstones, and under shrubbery because it needs little mowing or clipping.

earned it all, believe me.

In the recent Bank of America Satellite Contest, out of six top winners, the Sierra Madre News staff got two of them . . . kinda shows you where the brains of Sierra Madre are located when it comes to marbles in the pot . . . we can do as well with beans, peas or guessing the number of holes in Swiss cheese. Just remember this in the future.

In closing the column for this week, let me leave you with this reminder . . . "Two can live as cheaply as one large family used to." I hope, I hope, I hope.

Eaton Canyon Winners Named

Playing a Low Gross Over the Field Tournament, Eaton Canyon Women's Golf Club had the following winners:

A flight, Ruth Dunning, 81; Flo Temmesfeld, 90.
B flight, Doris Pooler, 96; Gail Clement, 97.
C flight, Mary Ryan, 102; Doris Krause, 103.
D flight, Betty McCann, 105; Fran Ross, 106.

Cobwebs

danger season.
Attracted by the rambling lavender loveliness of Sierra Madre's giant Wistaria Vine, motor caravans of tourists from San Diego and Santa Barbara drove into the city Sunday to pay visit to the fete and lunch on the Fenel grounds. Twenty-five cars came from the southern city and only a few less from Santa Barbara made up the entourage.

Half Cent Tax Levy Looms

Supervisor Frank G. Bonelli recently reported that West Covina Mayor Norman G. Snyder, a member of the Revenue and Taxation Committee of the Los Angeles County Division of the League of California Cities, has indicated that the proposed one-half cent county sales and use tax override received a cool reception at a meeting of the Revenue and Taxation Committee of the California League of Cities in Sacramento last week.

The County of Los Angeles has been seeking statewide support of enabling legislation providing for enactment of a 1/2-cent county sales tax. Supervisor Bonelli explained, "The bill provides that if the tax is implemented by a county, the new revenue derived therefrom must be used only for reducing the county property tax rate," he stressed.

Supervisor Bonelli continued: "Such a 1/2-cent sales tax would produce an estimated equivalent of 59 cents for each \$100 of assessed valuation in new revenue to apply against the County tax rate. Thus, the present Los Angeles County general tax rate of \$2.39 for each \$100 of assessed value could be reduced to \$1.80, if the legislation is adopted.

"But, without statewide municipal support, passage of the enabling legislation is remote — if not impossible."

On Supervisor Bonelli's motion, the Board of Supervisors instructed the Clerk of the Board to advise all of the cities in the state of the importance of and the need for passage of the legislation in the State Legislature and to solicit their support for its enactment.

Penalty Assessment Questioned

County Assessor Philip E. Watson said today that the trial court decision ruling that penal assessments were unconstitutional was "an open invitation to fraud."

At stake, he said, was the entire post-audit program which has resulted in the addition of approximately \$83,000,000 in escaped value to the 1963 and 1964 assessment rolls in the two years since he began the program. Watson said the decision would be immediately appealed by the County, and that he would bring the decision to the attention of the state legislature with a view to new penalty legislation that would meet the objections raised by Judge William H. Levitt in his decision.

"If the Assessor loses the power to impose penal assessments, it is an open invitation for the taxpayer to commit fraud by erroneously reporting his property," Watson said.

"Loss of the penalty section would actually penalize the honest taxpayer," he said. "Since we cannot audit all returns, a taxpayer could take a chance that he would not be caught if he reported dishonestly. If he were caught, the only result would be that he would have to pay the tax he should have paid in the first place."

The Assessor pointed out that the effect of the decision, if upheld, would also strike down the power of the State Board of Equalization to levy penal assessments.

Dichondra lawns need little clipping and mowing and stay green-the-year-round with infrequent, deep watering, according to Dichondra Seed Growers Association.

Crib Crop

Patrick Raymond Gaines is the very welcome newcomer at the home of Mr. and Mrs. Raymond P. Gaines Jr., of 283 W. Montecito. Little "Pat" tipped the scales at 8 pounds 1 ounce and was 20 inches long when he arrived on March 4 at Saint Luke Hospital.

Mighty happy to have a baby brother to play with is Master Bryan, 2 years old. The proud grandparents are Mr. and Mrs. Howard Voight of Cincinnati, Ohio, and Mr. and Mrs. Raymond P. Gaines Sr., of Farmington, Michigan.

Storm Drain Pact Approved By 9 Cities

Two-way agreements providing for design of storm drain projects to be built in nine cities of the First Supervisorial District under the \$275 million bond issue approved last November has been authorized, Supervisor Frank G. Bonelli reported today.

Parties to the pacts are the County Flood Control District and the cities of Bellflower, Downey, El Monte, Lakewood, La Mirada, La Verne, San Dimas, South Gate, and Walnut.

Bonelli said they call for the cities to prepare the drain plans for submission to the District. Upon adoption by the Board of Supervisors, the District will seek bids for construction of the projects.

The procedure is similar to that developed under previous storm drain bond issue programs and makes individual cities responsible for preparation of design plans. The District is obligated to construct, operate and maintain the facilities.

Cost of the design work will be reimbursed to the cities by the District from funds voted for the program, Bonelli said.

The 1964 undertaking calls for construction of 267 projects throughout the county, the supervisor, who is chairman of the Board's Flood Control Committee, added.

The first known use of dichondra as a ground cover was in 1939.

Birch Society Opens New Large Office

The John Birch Society recently officially opened new West Coast offices at 2627 Mission Street, San Marino, California. The opening was marked by an open house for the press arranged by the Society's National Public Relations Director, John H. Rousselot.

The offices house the Society's Public Relations Department, Audio-Visual Department, California Field Staff Office, the Western States Regional office of the American Opinion Speakers Bureau and a model American Opinion Bookstore. It is anticipated that some functions now handled by the Society's national headquarters office in Belmont, Massachusetts, will be transferred to the West Coast.

There are approximately 6200 square feet of usable space in the building in which the offices are located. The building was recently remodeled by Martin Associates Inc., general building contractors, and Mrs. William H. Cies, interior decorator. Many members of the Society helped with the remodeling work.

The offices will be open to the public Monday through Saturday, 9 a.m. to 5 p.m.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—millions leave them there!

THE WORLD

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Strange sight? Not really! We're getting used to seeing pictures of our own earth. We're getting used to the concept of a universe instead of a world. We can believe that the moon's soon to become a landing place.

Does this familiarity with space — does our thrust into the physical unknown — make the basic facts of life and death any simpler to us? Certainly not! Man is in a peculiar position, today. The more he explores, the more vast he finds what lies ahead of him. The more he learns, the more he discovers how infinitely much there is to know.

More than ever before, man realizes how great the hand of God has been in fashioning this world, this universe, we live in. That's why people everywhere — including scientists, astronauts, space pioneers — are men of religious conviction. Go to church this Sunday, and see for yourself.

Mr. and Mrs. Norman Vangen, formerly of Sierra Madre, now of 602 Stanley, Long Beach, are proudly announcing the arrival of their first born, a baby girl, who arrived at the Huntington Memorial Hospital, Saturday, March 13.

Kimberly Lenore is the name chosen for this new arrival, and she made her debut weighing a dainty 6 pounds 3 ounces.

Equally proud grandparents welcoming this little miss are Mr. and Mrs. Lewis Vangen of Mountain Trail, Sierra Madre, and Mr. Harold Powell of North Hollywood.

An Apothecary

... weighs and measures

Well it is only about a week more before our spring ONE CENT SALE will be ready to "blast off," and what a sale this will be . . .

This year's real features will be, of course, our Rexall Aspirin tablets in hundreds at 2 for 70c and the buffered variety at 2 for 99c. The Mi 31 mouth wash in pints at 2 for 90c is always one of the most popular items along with our pints of the very best Rubbing Alcohol at 2 for 90c.

We will have quite an array of excellent vitamin products on the sale — chewables ones for the children and maintenance and therapeutic ones for the teenagers and adults. For the men — shaving needs and toiletries and for the ladies — all sorts of cosmetics and toiletries — for the bath, skin and hair — real grooming necessities!

This spring's Sale will have a large assortment of sundry items for you to choose from, and all at ONE CENT SALE prices. Drop by when you are downtown and browse the store, look the sale items over and pre-select your wants — have them set aside for you to pick up when the sale starts. We'll be looking for you —

Senior Citizens Party March 27

Elaborate plans are being made for the Senior Citizens party on Saturday, March 27 when they will celebrate their third anniversary. The day's festivities will start at noon with a pot luck dinner. Members will take their own table service. Entertainment and cards will follow the dinner.

Saturday's meeting was a farewell to member Mrs. Esther Sheppard who is leaving for her new home at Walnut Creek Leisure World.

President Roland Ridgway gave an interesting account of the club's recent trip to the new Music Center, saying the cost of the building and decorations will be 33 million dollars. The names of the donors of \$25,000 are engraved on the walls. Hen-

rietta Symonds told of the beautiful furnishings. The next scheduled trip for the Senior Citizens is April 3 to Melodyland to hear Liberace. The Ice Capades are scheduled for May.

Mrs. Edna Murphy and Mrs. Anna Ridgway were hostesses for the day.

Creative Arts To Elect Officers

The Sponsors for the Creative Arts Group will have their annual meeting in combination with a tour of the C. Jacques Hahn gardens on Tuesday, March 30, at 10 a.m. Sponsor members have been invited to bring interested guests to the landscape architect's home at 343 N. Grove, Sierra Madre, where the spring colors displayed in the garden are currently at their peak of brilliance. Mr. Hahn will be present to comment informally about his work.

After the tour, the general meeting will be held at the home of Mrs. Claude Brown Jr., 49 W. Orange Grove, Sierra Madre. The main order of business will be the election of officers for the 1965-66 year, according to Mrs. Craig Williams, president. The nominating committee, consisting of Mrs. H. Kenneth Ward, Mrs. Theodore Greenburg, and Mrs. B. P. Sewall, will present the following slate of officers: Mrs. Kurt Gunther, president; Mrs. Keith Otterbein, first vice president; Mrs. William Barnum, second vice president; Mrs. B. P. Sewall, secretary; and Mrs. Paul Campion, treasurer. Committee chairmen include Mrs. Joseph Coulombe, press; Mrs. D. R. Yoder, staffing; Mrs. Milton Goldberg, scholarships; Mrs. J. G. Baker, brochures; Mrs. Cosette Edgar, tours and lectures; Mrs. Edwin Cavanagh, youth groups; Mrs. Roy Hoffman, Jr., and Mrs. La Verne Hubbard, hostesses; Mrs. Ginny Hunt and Mrs. Fred Gruber, exhibits; Mrs. Stuart Nimmo, children's project; Mrs. Paul Primeau and Mrs. Harlan Pedersen, lettering and posters.

Mrs. Cavanagh will be in charge of hostesses for the day and Mrs. Otterbein will handle other arrangements. Invitations for the tour and meeting were designed by Mrs. Primeau. Reservations are to be made by contacting the Creative Arts Group, 37 E. Montecito, Sierra Madre, phone 356-1350, between 10 a.m. and 2 p.m. on weekdays.

Experts in the Field

Simpson Garden-Town Has Dichondra Information

Something new in the care and feeding of dichondra lawns is the good news this spring for those people with dichondra lawns, or for those who want to plant dichondra seed this year.

Not much has been understood by home gardeners about dichondra and yet investigation of ways to care for dichondra have resulted in many improvements since it was first grown commercially 25 years ago. Dichondra Seed Growers Association has undertaken an information campaign this spring, to present as much new knowledge about dichondra as possible to nurseries, seed houses and home gardeners.

For example, recent experimentation has shown that the development of herbicides, such as diphenamid, had eliminated much of the weed and grass problem for owners of dichondra lawns. And fertilizers have been developed that are particularly suited to dichondra, and will keep it healthy, vigorous and green the year around.

Dichondra is a soft, green, ground-hugging, broad-leaved plant—not a grass. The advantages of dichondra are many. It needs little mowing. It is highly self-pollinating and lasts indefinitely with a minimum of care. It will grow well in sun or shade, with infrequent, deep watering. And it avoids many of the undesirable features ordinarily experienced by the home gardener.

Dichondra's habit of stabilizing its growth makes it perfect for yards containing shrubbery, trees, fences or flagstones. It is often used as a ground cover in gardens where an oriental effect is created, because it needs little clipping around large stones or statuary.

Dichondra seed may be planted any time between March and October. But March, April and May planting gives dichondra the best chance to take full advantage of the hot growing season after the roots have been firmly established.

Experience has shown that dichondra grows well in a wide variety of soils. Extremely light soils or heavy clays or adobe should have peat moss, ground bark, wood shavings or sand plus nitrogen dug into the top six inches before dichondra is planted.

One pound of dichondra seed to 500 square feet, sown in March, April or May, will grow into a beautiful lawn in five weeks. One-half pound of seed for 500 square feet will do it in six to 12 weeks. However, using an adequate amount of seed allows the dichondra to compete successfully with weeds that blow into

Freedom To Victory Is the Message

"Freedom To Victory" is the Christ message. This is the sermon-topic of Dr. Ethel Barnhart, minister of the Santa Anita Church, 226 W. Colorado Boulevard, Arcadia, Sunday, March 28 at 9 and 11 a.m. The New Age man and woman will fulfill this promise.

This is a non-denominational church, approaching life as Spiritual Scientists. Infant and child care is provided at both services. The 9 a.m. service is the Family Worship Service. Children and youth from kindergarten worship with their parents for the first 15 minutes. Following a sermonette by Dr. Barnhart all the youth go to their respective graded classes.

"Accepting the responsibility in our belief that the on-coming generations are the New Age men and women and will live in the New World, our youth program includes graded classes for youth from kindergarten through 25 years of age, led by dedicated teachers inspired with the Christ Vision for mankind," says Dr. Barnhart.

"Prayer-Power" is the Lenten theme of the Thursday morning, 11 a.m. Workshop conducted by Dr. Barnhart. This is an open meeting.

A Spring luncheon sponsored by the women of the church Saturday, March 27 at 1 p.m. in the new Fellowship Hall, with famous Margery Wilson as the guest speaker, promises to be a great power of good in the lives of all who attend. Mrs. Wilson brings a triumphant approach to every area of living, for she has been successful in every field she has touched, writing, acting, producing, lecturing, teaching, etc. Donation is \$2.50 per person. Call HI 6-8206 for further information.

D.A. Starts Crime Check

Early participation of the District Attorney's Office in the investigation of all major crimes will benefit both the original investigating agencies and the public as a whole, District Attorney Evelle J. Younger has advised all Chiefs of Police.

District Attorney Younger has asked all law enforcement agencies to report to his office at the earliest possible moment all crimes or reported crimes involving heinous offenses, kidnappings, crimes of extreme violence, major conspiracies and similar matters.

Upon receipt of such report, the District Attorney said, a senior deputy district attorney with experience in handling major crimes will be assigned to the case and available to counsel officers throughout the investigation.

If the reporting agency desires assistance in the investigation itself, a specialist from the District Attorney's Bureau of Investigation will be assigned.

The prosecution will be supervised by the District Attorney or his Chief Deputy.

Younger assured the various law enforcement supervisors that his office desires to assist to the best advantage possible in the solution of crimes and in the preparation of difficult cases for prosecution.

A hero is a soldier who does his job with benefit of publicity.

Vons V.P. Elected To Board

The Santa Teresita Hospital Advisory Board Tuesday elected W. R. Hayden, senior vice president of Vons' Grocery Co. and former president of Shopping Bag markets, to succeed Arthur F. Dignum as chairman.

The Advisory Board is made up of 35 business and professional leaders working on behalf of the regional hospital.

Dignum (2031 N. Hill Ave., Altadena), business manager for S. Austin Jones, M.D. & Associates, served as chairman during the Duarte hospital's greatest period of growth.

Mother Margarita Maria, O.C.D.T., hospital administrator, said that during Dignum's two-year tenure as Advisory Board chairman, Santa Teresita embarked on a \$2.5-million expansion and modernization program.

With almost \$1,250,000 in advance gifts, Hayden (835 Canterbury Road, San Marino) assumes leadership of an organization that seeks to complete the financing of the construction program in 1965 and 1966.

FLOURNOY REPORT

by Assemblyman
Houston I. Flournoy
4TH ASSEMBLY DISTRICT

California school administrators have been caught in a mounting stream of legislative abuse over the past few years, and, if some prominent lawmakers have their way, public education could undergo some startling changes in the near future.

The most recent assault came from the chairman of the Assembly's Education Committee, based upon a Subcommittee Report on School Finance.

Expressing "shock at the misapplication of funds for administrative and non-classroom functions," the chairman gathered statewide headlines which portrayed school administrators as persons not only spending taxpayer money with both hands, but virtually absconding outright with school funds.

As a member of that Finance Subcommittee, I want to say that we found NO such thing!

It is true that certain committee members felt that some school districts were not spending their money as effectively as they might. Also, some felt that some local school boards had allowed administrative staffs to unnecessarily proliferate. However, no general castigation of school administrators was warranted by our findings. Indeed, there is overwhelming evidence that the vast majority are dedicated and conscientious men and women.

Unfortunately, however, this recent attack reflects an ominous trend in the Education Committee toward state control of local school district spending. There are indications of a scheme to set up rigid categories for the expenditure of state support money, and, perhaps even to establish uniform staffing patterns for all the districts in the state.

I am vigorously opposed to this concept of state control as it is expressed and implied in the subcommittee's report.

In my view, it would be tragic if we were to forget that what seems appropriate for one school district is not necessarily appropriate for all of our 1600 districts in California. The varying backgrounds, needs, and values of the people in these districts may demand different educational emphases. These demands are expressed to, and reflected by school boards and their employees — the administrators — at the local level. In essence, the broad attack upon administrators is an attack upon local decisions and local control, and is, I fear, a portent of increased state dictation of local school affairs.

Today's dichondra, the soft green ground cover used for lawns, is a dainty relative of the Morning Glory family of plants.

Claudia Fritz and Michael Tibbs United

Following the impressive ceremony a reception for the two hundred wedding guests was held at the Monrovia Woman's Club. In keeping with the color theme of the wedding the club was decorated with many lovely arrangements of blue and white flowers. A traditional four-tiered white wedding cake with tiny blue artificial flowers in the center of the bottom tier was topped with an exquisite little bride and groom ornament surrounded by white flowers. During the evening "Lee Knights" four piece band played for dancing.

For their wedding trip to San Francisco, the bride wore a pale green suit with beige accessories. Upon their return the young couple are making their home at 284 Vista Circle.

The new Mrs. Tibbs attended Sierra Madre and Sierra Mesa Elementary schools, and is a graduate of

Marshall Jr. High and Pasadena High School. Her bridegroom attended Burbank Elementary School, Marshall and is also a graduate of Pasadena High School. He attended PCC and is now employed by JPL.

Among the guests present for the wedding were the bride's grandmother, Mrs. G. C. Richardson from Lucerne Valley, the bride's aunt and uncle, Mr. and Mrs. Dennis Yates from Long Beach. Also the bride's great aunt, Mr. and Mrs. Bill Reed of Bakersfield, and her cousins, Mr. and Mrs. Earl McKenzie of Burbank. Coming from Hanford for the happy occasion were the bridegroom's sister, Mrs. Ed Moran and Mr. Moran, Marybelle Little and Foster Vierra. Also the bridegroom's uncle and aunt, Mr. and Mrs. Arthur Ward, and his godmother, Mrs. Robert Montgomery. Mr. and Mrs. Fred Gribble attended from Bakersfield.

Battle Lines Formed For Election

Triad or Princeton Plan, would take children in grades 1 to 6 by bus from their regular, normal school, to a distant, strange school and the children from that school to another and could even take the pupils from that school to yet another, two years at a time.

Questions asked and frankly answered by the three-member slate of board-member-candidates brought out and made clear the following basic points of information:

1. School children so removed from their own school to one miles away would virtually lose all contact with parental care, concern and protection.

2. No educational advantage could possibly result.

3. The emotional upset to school children would be a serious blow to their education and welfare.

4. Under any circumstances, with nothing to be gained and everything to be lost, the cost to the taxpayers would be very, very high indeed.

5. In searching for the motive back of such tradition-upsetting shenanigans, there was but one explanation: Those backing it were bent, even at taxpayers expense, and regardless of what it did to education and general child welfare, on forcing racial school integration out of all bounds of normal community school requirements.

6. The slate of candidates expressed their confidence in and pledged their support for Superintendent of Schools, Robert Jenkins, whose school administration has brought him widespread community praise and who has steadfastly opposed the monstrous school bus pupil-trading plan.

Steve Salisian, present member of the Pasadena Board of Education, a position which he has held for the past eight years, with three years as board president, said: "I believe in the best education possible for all the children of our school system. I am heartily in favor of neighborhood schools."

LuVerne La Motte, currently president of the Pasadena Board of Education, who has been a member of the board for the past eight years, said: "Many of the usual issues of a school board election I believe are not issues in this election. For example: Curriculum, instructional methods, book

selection, homework and other educational items are not being questioned. What is at stake is belief in the maintenance of neighborhood schools."

Dr. Joseph J. Engholm, well known Pasadena civic leader, lodge member, past commander of veteran's organization and past president of the Pasadena Chamber of Commerce, had this to say: "The candidates supported by the League for Sound Education are firmly for the neighborhood school concept. We believe the forced bussing of children is not in the best interest of education, not wanted by the youngsters, very expensive and must be recognized as an imprudent experiment with children."

For further information parents, school friends or others are urged to call Chairman Claude Brown, 355-9693.

Those in attendance at the meeting were: Mr. and Mrs. Roy Pickett, John H. Curtis, Ralph R. Rule, Mr. and Mrs. Chester F. Lighthizer, Mr. and Mrs. James F. Abernethy, Mrs. Robert G. Davis, L. W. Brennan, Mr. and Mrs. Carl Cheadle, Mrs. Robert Toney, Mrs. Martin Stornie, Mrs. Georganna Emerson, Mrs. Doris Stone, Mrs. Jerry Asher, Dr. and Mrs. John A. Robertson, Claude Brown and Ferne D. Edwards, in addition to the candidates for office.

Revolt Seen In County Tax Rise

"Housecleaning of county government from top to bottom" was demanded Tuesday in the first organized assault on the 1965 county budgets which may soar past the \$1 billion mark.

George C. Jordan, chairman of the policy committee of Taxation, Inc., said his units in 57 communities all insist on budget cutbacks in a drastic housecleaning.

To slash property taxes, Jordan urged the Board of Supervisors to fix ceilings on the "asking" budgets of county department heads. He insisted on a follow-up on grand jury findings of waste, tightening of welfare procedures, reduction of county personnel through non-replacement of employees who leave and a reduction of classified county positions.

Moratorium Asked
Until property owners are relieved of an unfair share of the tax burden, Jordan said, the county should declare a moratorium on new construction which is not strictly of an emergency character.

Pointing out that 140 additional Superior Court judges are projected for this county by 1980 at a cost of \$35 million a year, Jordan pleaded that building of courthouses be halted until court reforms are made to reduce the need for more courts and judges.

At the state level, Jordan asked the supervisors to lobby vigorously for tightening of "loopholes" in the 1963 Welfare Act.

Other Targets
He said supervisors will not be the only officials under taxpayer fire this year.

"Our school boards at all levels — state, county and local — take more money of our tax dollar than you do," he said. "On the local level alone they spend about twice as much."

"They are spurred on by something like a school cult whose high priests scream 'Tabu!' if anyone even questions their spending."

Jordan said revolting property owners will join in a "taxabuster" assault this year at county budget hearings.

Mrs. Mary Firsina, Huntington Park, pledged support for the taxabuster by WOW, a taxpayers' group of Women On the Warpath who are loaning their signs to be used upside down by a MOM affiliate — Men on the Move.

Editorially Speaking....

Federal Aid to Education

It cannot be denied that the American people have been generous in their support of education. Last year, for instance, voters in more than 2,100 elections throughout the nation approved school bond issues totaling \$2,306,000,000. This was a new record.

So it certainly is highly questionable if a massive federal aid to education program is either needed or desirable. Beyond the huge sums of money involved, federal financial support of the schools would inevitably mean ever-increasing federal controls. Local control of the schools would be undermined and in time might even be destroyed.

This is a fundamental matter. School policy has always reflected local needs and views. Local people have a better knowledge of what is needed than a distant administrator. We should think a long time before deeply injecting the federal government into education, well-meant as the programs may be.

'Scrambled Time'

At 2 a.m. on Sunday, April 25, 1965, America will start living again on "scrambled time."

This, the Committee For Time Uniformity points out, is because some 100 million of us will advance our clocks to Daylight Saving Time, while the remaining 85 million will retain Standard Time all year around or move to DST on another date.

Time confusion goes to fantastic lengths. An airplane, according to the clocks, may arrive at its destination before it took off from its point of origin. Trains, being held to Standard Time by law, are out of step whenever they arrive in a DST community. Some West Coast businessmen are just getting ready for lunch when the East Coast business day is over. In one of the states, there are 25 different combinations of dates on which community areas move to and from DST. In an Iowa town, the banks open on DST and close by Standard.

An impressive list of companies and organizations—representing transportation, broadcasting, banking, communications, agriculture and many other enterprises—have associated themselves with the Committee For Time Uniformity. Numbers of government departments and organizations, including Commerce, Defense, Post Office, general services, the weather bureau and others are also cooperating. The goal is to coordinate the efforts of all concerned and to bring about that uniformity through agreements and legislative action when and where needed. To risk a pun, it's high time this was done.

A Bad Tax

There is talk about the possibility of levying a travel tax, of \$50 or \$100, on American tourists who go abroad. The theory seems to be that if foreign travel was thus discouraged it would reduce the volume of U.S. dollars spent in other lands and help to alleviate the balance of payments problems.

No one minimizes the importance of that problem. But a travel tax would be about as bad a way to attack it as one can imagine. The right of Americans to travel wherever they legally can is certainly a fundamental one, and it should be maintained without discrimination or penalty. Moreover, in this jet age the vastly increased volume of foreign travel has a very direct bearing on international relations. The American who goes abroad, for whatever reason, usually comes back a wiser, more tolerant citizen. He has had an insight into the problems, traditions, cultures and aspirations of other peoples. And, save for the few inevitable exceptions, he has been an ambassador of good will.

On top of that, the government has for some time been actively working to encourage more foreigners to come to our country. It would be hard to square that policy with a tax on our own travelers.

In any event, this troubled world needs more people to people contact—not less.

The Other Cost

It has been said that federal grant-in-aid programs have grown to the point where they are unmanageable. Whether or not this extremity has been reached, they are ascending to stupefying dimensions.

In 1966, the proposed budget indicates, they will reach the record figure of \$13.6 billion—\$2.2 billion more than for 1965 and \$3.3 billion above the 1964 appropriations. Practically all of the increase is in the areas of welfare and education, including such programs as economic opportunity; educational assistance; manpower development and training; health and research; and housing and community development.

The question here is not whether any or all of such programs are good or bad, necessary or unnecessary. It is whether they are a proper function of the central government. And, further, it is a question of whether the rights, obligations and responsibilities of state and local government—to say nothing of individual citizens and families—are to be totally submerged by federal bureaucracies which control the purse strings and lay down the rules.

The cost of grants-in-aid, in terms of dollars, is enormous. The other cost, which must be measured in the subjugation of local government which is far more responsible to the needs, wants and problems of its regions, is greater still.

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California, Los Angeles County, Post Office Box 37, Telephone ELgin 5-3324 or 5-3255.

The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4400 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1936. Adjudication Decree Number, 404,764.

A First Class Newspaper entered as Second Class Matter at Sierra Madre Post Office October 2, 1906, under Act of Congress of March 3rd, 1879.

Individuals may feel free to express their ideas insofar as they remain within the bounds of propriety, however, letters attacking individuals or personalities will not be published. Subscription Rates: In Los Angeles County — \$5.00 per year. Elsewhere in the United States \$5.50 per year. Foreign Countries, Air Mail, Second Class, priced upon Application. 10 cents per single copy.

FREEDOM AT ANY PRICE

By H. V. WITTY

Liberal isolationism with its scareword "escalation" and its cure-all "neutralization" is being injected into the present Viet Nam conflict by the same Pollyanna romantics "who were disillusioned by Moscow at the time of the Hitler-Stalin pact, disillusioned by Mao when they discovered that he was not really an 'agrarian reformer,' disillusioned by Castro when they learned that he was not a cross between Thomas Jefferson and Robin Hood and who now are dusting themselves off for new Vistas of adventure in Viet Nam." So states Thomas J. Dodd, former missionary to the Far East and present Democratic Senator from Connecticut. Senator Dodd is recognized by most of his colleagues as an expert on eastern affairs.

The Connecticut Senator commented: "I have been amazed by a number of letters I have received asking the question, 'Why are we in Viet Nam?' or 'What is our policy in Viet Nam?' I have been even more amazed to have the same questions put to me by sophisticated members of the press....

"We are in Viet Nam because it is in our national interest to assist every nation, large and small, which is seeking to defend itself against Communist subversion, infiltration and aggression....

"We are in Viet Nam because our assistance was invited by the legitimate government of that country....

"We are in Viet Nam because... Chinese Communist hostility to the United States threatens 'the whole structure of our own security in the Pacific.'... We are in Viet Nam not merely to help the 14 million South Vietnamese defend themselves against communism, but because what is at stake is the independence and freedom of 240 million people in Southeast Asia and the future of freedom throughout the western Pacific."

Continues Senator Dodd: "And if the Administration should ever succumb to their pressure (Liberal Isolationists) and negotiate the surrender of Viet Nam, and if the Vietnamese Communists then embark on the orgy of bloodletting which has always accompanied the establishment of Communist power, let those who are pressuring for negotiations not be heard to say, 'But we didn't intend it this way.' Because there is today no excuse for ignorance about communism....

"If... we decide to abandon the whole of Southeast Asia to Communism as some of the proponents of withdrawal have frankly proposed, it would result in the early disintegration of all our alliances, and in the total eclipse of America as a great nation. Because no nation can remain great when its assurances are considered worthless even by its friends....

"There has been a good deal of talk about the United States escalating the war in South Viet Nam," comments Senator Dodd.

"Now we are told that if we take any action against the territory of North Viet Nam, which has mounted and directed the entire attack on South Viet Nam, it will entail the risk of world war."

The expert on communist strategy then tells us: "If the Communists are always to be permitted the privilege of escalating their attempts to take over new countries, while we shrink from retaliation for fear of further escalation, we might as well throw in the sponge now and tell the Communists the world is theirs for the taking."

In May of 1961, upon his return from Laos and Viet Nam, Senator Dodd made the following statement: "The best way for us to stop Communist guerrilla action in Laos and in South Viet Nam is to send guerrilla forces into North Viet Nam, to equip and supply those patriots already in the field; to make every Communist official fear the just retribution of an outraged humanity; to make every Communist arsenal, government building, communication center and transportation facility a target for sabotage; to provide a rallying point for the great masses of oppressed people who hate communism because they have known it. Only when we give the Communists more trouble than they can handle at home will they cease their aggression against the outposts of freedom."

This columnist believes that the validity of these words is even more evident today than it was in 1961.

Winston Churchill's advice to the boys of Harrow School in 1941: "Never give in. Never, never, never, never! Never yield to force and the apparently overwhelming might of the enemy. Never yield in any way, great or small, large or petty, except to convictions of honor and good sense."

The subject matter presented in this column was obtained from excerpts from a major address by Senator Dodd on the Senate floor and which appears in the March 13 issue of *Human Events*.

Girls Scout Troop 517 Takes Tour

Girl Scout Troop No. 517 of St. Rita's and several friends were taken on a tour of the Sierra Madre News on Wednesday afternoon.

Those taking the tour included Ruth Starkey, Lee Kennedy, Nancy Verhovek, Patricia Kennedy, Kim Penny, Christina Brown, Patrick Brown, Mary Bauer, Dawn Wilson, Maureen Kennedy, Donna Starkey, Cecilia Fabris, Tony Bauer, and Matthew Brown. Lulu Starkey is also a member of the troop but was unable to attend.

The group was chaperoned by Mrs. Anita Bauer, Mrs. Bette Brown, Mrs. Carmen Wilson and Mrs. Pat Starkey.

THE MAGICIAN WHO MAKES AN ORGAN TALK

This is Bill Thomson. Some people call him an organist. Others refer to him as a magician. In either case the fantastic mood music he creates in Eatons Handicap Room has become the talk of the entertainment business in this area. No other performer has been here as long... or excited so many. Come over and be thrilled this week!

OUT OF THE COBWEBS

10 Years Ago:
March 24, 1955

Perhaps this week's edition of the Sierra Madre News should be called the Santa Mira News. Mysteriously the Sierra Madre Hardware sign today reads "Santa Mira Hardware Co." and across the street the old Skeels store says "Santa Mira Drugs." But the change is only temporary. Allied Artists moved into Sierra Madre Wednesday and Thursday to shoot some action shots of "The Body Snatchers" which is being produced by Walter Wanger, featuring Kevin McCarthy and Dana Wynter. A crew of approximately 100 persons is here with the production unit.

The annual spring exhibition of paintings by Sierra Madre artists will be hung in the City Hall Gallery this week. Twenty artists are represented with 30 pictures in the current show which will be visited by many out-of-town people during the Wistaria Fete.

The college of hard knocks has a larger alumni than all the institutions of learning.

Seven girls and seven boys gathered at the home of Mr. and Mrs. William M. Waite, 292 W. Carter, on St. Patrick's Day to help Mike Waite celebrate his seventh birthday. Green and white favors were used in the decorations and the young guests spent an enjoyable afternoon playing games.

20 Years Ago:
March 22, 1945

Fred La Lone went to the police station Sunday evening about six o'clock to get

aid in securing a physician to treat his injured arm received while splitting up a big pine tree with Fred Lewis on Santa Anita Dr. He thought a piece of steel had struck it with a sledge hammer, but an X-ray showed a 22-calibre bullet imbedded in his arm. Neither man had heard the shot and not knowing it was a bullet, no search was made for the person doing the shooting.

The current drive of the Sierra Madre Congregational Church to pay off its building debt by Easter is proceeding satisfactorily, according to Harry Lange, chairman of the committee. The members of the committee have pledged to raise \$9500 in cash or pledges by April 1.

30 Years Ago:
March 22, 1935

"Romper of 1935!" the PTA variety show being prepared for April production by Mrs. Pearl Virginia Steinberger, promises to be Sierra Madre's show surprise of the season.

40 Years Ago:
March 27, 1924

That every means to prevent a recurrence of the big forest fires of last summer will be used seems to be the ambition of M. H. Davis, forest ranger for the district, and A. M. Udell, local director of the Angelus Protective Association. An active program of education has been started and an emergency organization is being formed which will act both as a prevention and a suppression unit during the season.
